A message from our interim Headteacher, Sue Ladipo ...

This week has been very exciting. On Monday the choir performed beautifully at the Camden Music Festival. I would like to thank Katie Butler for all her hard work in organising this event and for giving our children the opportunity to shine. It was lovely to see so many supportive parents there as well. I hope more parents will encourage children to join the choir – singing is such an uplifting experience. Thank you Katie.

I would also like to thank Marianne for arranging World Book Day and for inspiring us all to come dressed as our “unmissable” character. It is also important to thank parents for helping the children with ideas and great costumes; there were so many creative and fantastic outfits and props. Please have a look at the pictures on the website and a few below. Robin has been in this week to meet with me and the leadership team. He is really looking forward to starting as headteacher after the Easter holiday – and is already very involved in all decisions.

Out of school learning

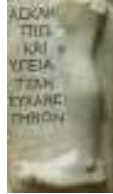

Since half term across the school our children have been learning outside the classroom, visiting the CLC for computer classes, the Churchill War Rooms, the Camden Garden Centre and the Bethnal Green Museum of Childhood. There have been swimming lessons and, of course, sport at Talacre and William Ellis School, as well as the many clubs in which children are involved.

Visit our website for reports and photographs.

LATIN CLUB CORNER

The ancient Greeks and Romans used to inscribe their thanks or requests to the gods on small metal votive tablets and hang them up on the wall of their local temple. Sometimes it was gratitude for recovery from illness or injury, or a safe journey, and might include a picture of a body part that healed. Latin Club had a go at making their own, writing their names in the Greek alphabet!

LOOK OUT FOR LETTER
COMING HOME!

World Book Day in school was such a happy day. Children and staff dressed up As a character from their favourite book; there were book readings, storytelling and lots of discussion. Book tokens were given to each child and prizes of additional tokens were presented in Achievement Assembly today. Let's keep reading to and with our families for years to come.

Here are a few pictures. The website has more.

PRIMROSE MATHS

Confidence with number is one of the essentials in the Early Learning Goals for Reception children. We enjoy making counting fun in RJ and RR so we have devised lots of games which are easy to copy or improvise at home.

The sessions for parents / carers are held on a Thursday morning from 9 – 10.30 a.m. AND THERE ARE TWO MORE TO GO. Please do come and enjoy Maths with your child next week.

RED NOSE DAY !!

To help raise money for Comic Relief, on **Friday, 13th April** the School Council has organised a day for children to dress up as one of the **Red Nose** characters. **Each Year group has its own character.**
Or you can come to school wearing red clothes!
Don't forget to bring in £1!
