Parents and carers,

We have recently launched Google Classroom at Primrose Hill School and the children are already enjoying it as a way of supplementing their learning in the classroom. The children are sharing ideas, receiving home learning, visiting websites and finishing projects started at school.

I would like to invite you to a discussion about Google Classroom. I will be holding two sessions on the following dates:

Key Stage 1 parents: Friday, June 12th, 3:00pm.

Key Stage 2 parents: Friday, June 19th, 3:00pm.

I will introduce how it works and how it has already been a very successful resource for the children at Primrose Hill. It will be a chance for you to ask questions about Google Classroom, but also the other online resources the children can use at home, including Purple Mash, Google Drive, email and advice on e-safety.

I look forward to seeing you there.

Best wishes,

Paul Beeton,

Computing Leader of Learning
