Dear Parent /Carer,

This is to inform you that over the next three weeks, Year 6 will be studying **Sex and Relationship Education (SRE)** from the Key Stage 2 framework for Personal, Social, Health and Citizenship Education (PSHCE), specifically designed for Year 6. Pupils will cover the importance of healthy relationships, reproduction, contraception and the changes that occur during puberty. The unit is essential as it gives the children the opportunity to raise questions and address concerns about their understanding of the human body and the process of reproduction.

The unit fits in closely with teaching from the science curriculum but will also cover the emotional and social aspects of Sex and Relationship Education (SRE). The units fit in with the school's policy for PSHCE as agreed with the governing body.

If you have any further questions or concerns about the content of the unit, do not hesitate to arrange a meeting with us where you will be able to view the resources the children will be working with.

Kind regards,

Sarah and Jo

The Year 6 Team

Head Teacher: Robin Warren
