**From our Head Teacher** The end of term is nigh! Our fun end of term activities have been great, resulting in a visit from the man in the red suit! The children have been very good. Being mindful of congestion and parking difficulties, Father Christmas was able to park his reindeer on the roof! Thank you to Maia and her Mum for giving us the bear to auction. Well done Melissa in 5J for winning! We have had an amazing term with your children. They have settled into their new Year groups and made great progress in their learning. We wish all our families a very happy holiday and a Merry Christmas to those who celebrate it. See you next year! **Robin**

### Father Christmas's Visit

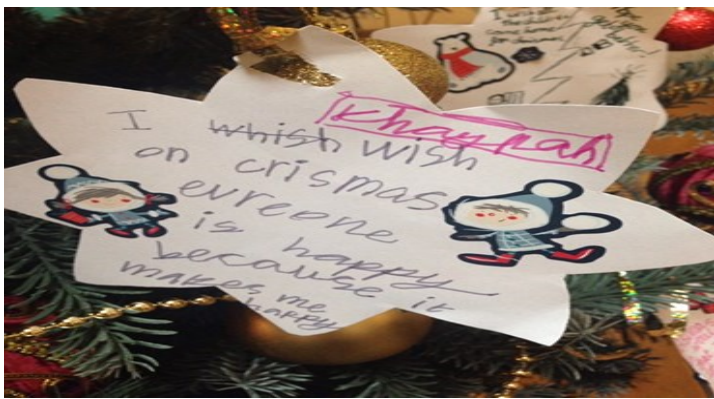

### Nursery Concert

The children in Nursery entertained their grown-ups in a lovely end of term concert finale.

### Goodbye Katie/Tony

Today in a special Achievement Assembly we said goodbye to Katie, our lovely Music Teacher. It was a sad time, but she has left her mark at Primrose Hill, so we will not forget her.

Then Tony, our Assistant Site Services Officer, also said goodbye. We wish him a very happy and long retirement.

### Choir Action! Singing for their supper ... literally!

Katie took the children to Melia White House Hotel where the children sang for the hotel guests and indulged in some delicious Christmas fare! On Wednesday, Robin, Katie & Ardiana took the children to sing at the Great Ormond Street Children's Hospital School Carol Service. This was a wonderful event where our children participated in the questions, and watched some of the GOSH children do readings from their beds. It was humbling to see the children and families who are too poorly to be at school or even at home for Christmas. Your children did us proud.

### Key Dates for Spring 2016

### RE Display

Tracy has put up a display about 'light' to which she would like the children to contribute. It can be a piece of writing, a drawing, a story board... it is up to you! Get creative. All you have to do is answer one of the following questions:

**Why do people have candles during Hanukkah?**

**Why is Diwali called the 'Festival of Light'?**

**For Ramadan, why do people fast during daylight?**

**Why is a candle given to people who are baptised?**

Notice a theme? It is all about light. Light is incredibly important to us, both spiritually and practically.

Drop your work to 6T where someone will be waiting with open arms to accept it.

All work will either be displayed on the board, or put into a big RE book for everyone to use.

Looking forward to seeing all of the lovely work which comes in!

The winner of the lovely Bear Raffle is Melissa in 5J. Enjoy!

### KS1 & Reception Concert at Cecil Sharpe House

The children were triumphant in their singing and dancing this week
