Dear Parents and Carers,

This term we will be learning more about **our family history and how things have changed over time**. As part of this we will be looking at inventions, exploring different materials and thinking about why they are used.

To help the children to fully understand and engage with this learning, we have planned a trip to the **Museum of Childhood in Bethnal Green on Wednesday 3rd February**.

We will have time to explore the Museum and will also be taking part in a teaching session led by the Museum that will allow the children to explore old and new toys, look at the materials and to make their own toy to take back to school. There is a charge attached to the teaching session so we are asking for a **voluntary contribution of £3 per child**.

A packed lunch will be required for the day. Please remember that we are a healthy school and children's packed lunches need to reflect this. We kindly ask that they do not bring fizzy drinks, crisps, sweets, chocolate flavoured products etc. in their packed lunches. Your support in this matter is hugely appreciated. Please do let us know if your child needs a school packed lunch by this Friday 29th January.

We do have space for some parents to join us to assist with escorting the children on the day. **We will be leaving at 9.15am and returning to school for 3.25pm** so we know this may be tricky for some of you. We will also be travelling by tube and taking part in age specific learning activities so **it will not be possible for us to travel with any younger brothers and sisters**. We kindly ask that; where possible, **accompanying bring an Oyster Card for underground travel**.

Please **fill in the permission slip below** and return it in a clearly labelled envelope. The class teacher will collect them in the classroom not in the playground. Please do not hand them into the office.

Many thanks,

The Year 1 Team
