From our Head Teacher .. Half Term is nearly upon us. We are using our last week before the holiday to promote Maths across the school. Each phase will be running a workshop throughout the week; we would love it if you could support this and learn alongside your children and the staff. My meeting regarding the Canalside Classroom was positive and I think David, Tania and I used our charm skills effectively. Hopefully this will bear some fruit. We're optimistic. Keep your letters of support coming please. The library furniture has started to be installed this week and looks amazing. We are very excited for this to be completed. Coming up.....look out for our Spring Term edition of our special edition newsletter which focuses on our School Improvement Plan developments. **Robin**

Come on in!

Parents are invited into class next week to see Maths Learning in action! Please come and join your children in a carousel of maths activities at these times:

- Year 3 & 4 - Monday 8th February - 2.30pm
- Year 5 & 6 - Tuesday 9th February - 9.00am
- Nursery - Wednesday 10th February - 9.00am
- Year 1 & 2 - Friday 12th February - 9.00am

Bouncy Day

Tania came up with an excellent idea to raise some money to buy some new books for the library. She is planning on hiring a Bouncy Castle for the playground on Friday 4th March. The idea that children bring £2 to school to have a sponsored bounce - see if we can keep bouncing all day - this will potentially raise a good deal of funds to buy some new books. Every little helps.

Sports Scheme at Haverstock

As half term approaches Haverstock School are again running their sports scheme from 15th – 18th February. They have kindly offered our children in Years 5 and 6 the opportunity to attend each day, from 10.00 – 3.00. Places can be reserved for a returnable deposit of £4 to secure their place. Please get your forms back to school asap as places are rapidly filling up!

A very big WELL DONE to 6PH who achieved an amazing 99.67% attendance this week. They also had only 2 two latecomers, as had 1K. Keep up the good work!

Coming Up Next term Phonics Year 1

Kate, Jill and Robin will be leading a Phonics Workshop for Yr1 Parents on Monday 14th March to explain about the Phonics Check which will take place in June for children in Yr1. We are busy putting together a Phonics Superhero Kit for the children.....but only if you attend one of the workshops!

STARS OF THE WEEK

1J	Edith and Lorenzo
1K	Zaira and Tiana
2B	Charlie
2R	Waye and Hamza
3M	Raheem & Khayrah
3P	Visar
4D	Iman and Poema
4M	Sophie
5A	Irid
5J	Zaynab
6L	Ervin
6PH	Kelta
6T	Saim

4D trip to British Museum

Wonderful photographs taken by Nyjah

Year 2 trip to Kensington Palace

Milan 2R

Recently one of our children, Milan Yr 2, wrote to the Prime Minister. He explained to David Cameron that he wanted more money for schools, more art and drama in schools, a greener more eco-friendly London, no payment for winter heating by poor people, more invitations to refugees and that countries should not

go to war. He received a reply telling him that his comments had been noted. Well done, Milan, a very caring approach to life.

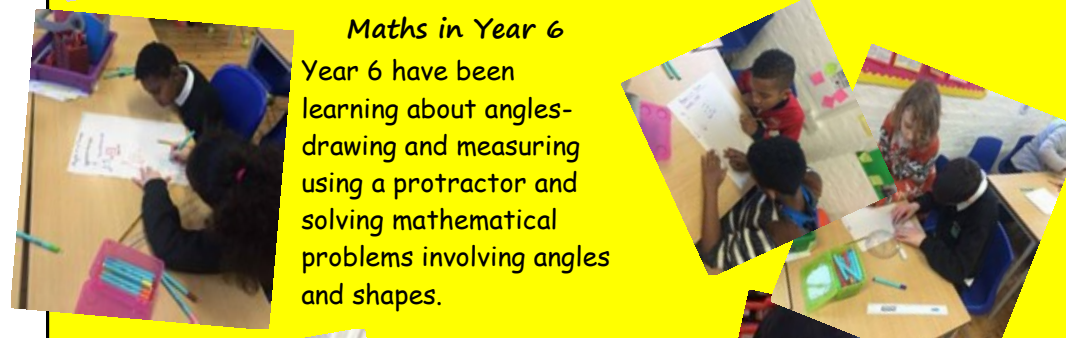

Look out for our Workshops in Maths /Reading /Science

Dates for Spring 2016

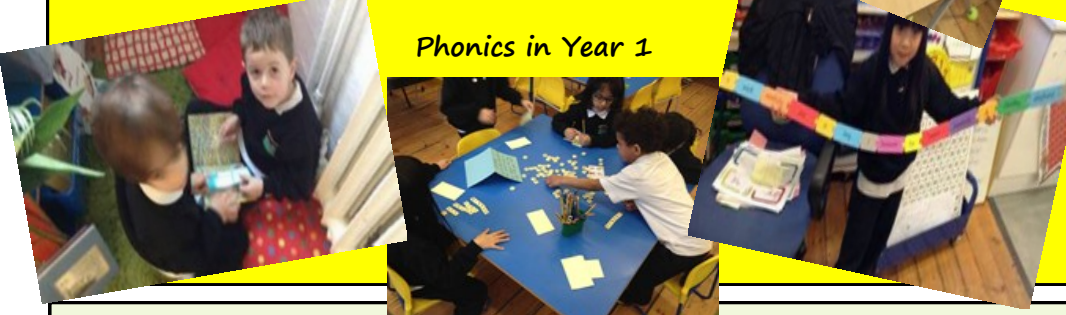

- Tues 9th Feb Yrs 5 & 6 Maths Work shops
RJ Maths Workshop
- Wed 10th Feb Nursery Parents' Maths Workshop 9—10 a.m.

Comic Relief
- Fri 18 Mar **Camden Music Festival** at the Royal Albert Hall
- Mon 21st Mar

Maths in Year 6

Year 6 have been learning about angles—drawing and measuring using a protractor and solving mathematical problems involving angles and shapes.

Phonics in Year 1

Maths Workshops

Laura ran two workshops for KS2 this week which we have promoted heavily. As a response to our Home Learning meeting last term, it was suggested we try and run some evening workshops. As a trial, Laura agreed to repeat the workshop at 6 pm but only had 5 people turn up. This is a shame after her hard work and preparation in getting things ready. We run our workshops to help you help your children. Please make every effort to attend if you can. **Robin**

Cycling half term

Camden Transport Strategy are running half term cycle training for children who wish to learn to ride a bike and for children who wish to improve their skills. The courses to be held on 15th and 16th February at Haverstock School are free, but require booking to secure a place.

- Course 1—Beginners 10—10.45 a.m. and 11.15—12 noon
- Course 2—Level 1 control skills for children who can already ride 1—2.30 pm

To book contact Richard Riddle on 0207 974 5071 or email-cycle.training@camden.gov.uk

Anti-bullying Champions

Latest report from Aliyah 6PH

Mandy has been running an anti-bullying competition. To join, you pay £1 then you can choose a bag or a T-shirt. Mandy responded to us and said "I'm very pleased with the result. I am also pleased with the children taking part in the Fashion Show. I can't wait to see the Show!"
