Dear Parent / Carer,

Both Reception classes have been given an exciting opportunity to work with a Specialist Language Communication Teacher from the Camden Language and Communication Service (CLCS). This will be to develop Speech Language and Communication Skills within both classes. The CLCS teacher will be able to support the school in a number of ways e.g. observations in the classroom, running groups, supporting speaking and listening sessions in the classroom and setting up school based programmes. Your child may be involved in some of these sessions. We hope you agree that this is a valuable opportunity for the whole class to benefit from specialist support and advice.

Should you wish your child not to be involved please contact the school SENCO.

Yours sincerely,

Syra Sowe
