From our Head Teacher

It is lovely to have a shorter term but there is still the same amount of things to fit into it, so we are all – children included – looking forward to a half term holiday. We have had Pupil Progress Meetings, consultations, staff appraisals, Art Week and trips out. It's been a busy one! Remember, school finishes at 1:30 on THURSDAY 24th MARCH for the Easter Holiday. **Robin**

Celebrations Ahead

During the holiday, our very own Laura Smith will be getting married. We are planning a little celebration assembly for Laura for Wednesday, but I am sure you will join me in wishing Laura and Ben a happy event and we will publish some wedding snaps after Easter.

2 Year Old Provision

We are doing lots of work around offering a 2 Year Old Provision for children from 2017. This is in response to the Government agenda in offering 15 free hours to children under 3. Along with Netley and Brecknock Primary Schools, Primrose Hill is developing plans to provide this from January. On our website and twitter feed there is a demand survey which will help us work out what is needed and how to best meet the needs of our families. Our plans are ambitious and would enable us to make some big structural alterations to the building....watch this space!

Well done to 2R with the highest attendance this week. 1J had the best Punctuality.

Goodbyes... Our Chef Margaret will be leaving Primrose Hill after many years. Margaret is moving to another Camden School and we are to have a new chef who I will introduce to everyone next term. We thank Margaret for all her hard work in feeding the many many children who have queued up at her counter. We wish you a happy new chapter in your life.

SATS Preparation

As you will know, the children in Y2 and Y6 will be the first children to sit the new style SATS tests based on the New National Curriculum which came into force in 2014. This means the tests are different to what we've been used to. We are running some briefing sessions for children in Y2 and Y6 to outline what you can expect and how we are working towards the SATS timeline. SATS takes place throughout MAY for Y2 and in the week beginning 9th May for Y6's.

Briefings as follows:

Y2 Friday 15th April 9am and 3pm – Middle Hall
 Y6 Monday 18th April 9am and 3pm – Middle Hall

LET'S RAISE LOTS FOR SPORT RELIEF

It's Sport Relief Today!

Primrose Hill School

We've been raising money by having a lot of fun!

CAMDEN MUSIC FESTIVAL

Good luck to everyone in 4M and 4D who will be performing at the Royal Albert Hall this Monday. You have all been rehearsing so hard and your positive behaviour at mass rehearsals around Camden has been excellent. Don't forget Y4 Production is also on WEDNESDAY at 2:30 for parents and carers.

Home Learning Update:

After our coffee afternoon, Phase Leaders with their phases discussed parents' concerns and suggestions. They then drafted a home learning plan, which was amended and agreed by SLT. This new home learning agreement was discussed on INSET day in January and a letter to parents was sent out. This addressed consistency, expectations, how learning would be acknowledged and use of Google Classroom.

Following our coffee afternoon yesterday, our next steps are: Development of Spelling. Ensure consistency of KS2 journals, use of the library, reading at home for EYFS & KS1, re-vamp format for the journals, promote local homework club at the library and suggest ideas to do in the holidays!..... and continue to monitor!

HAVERSTOCK SCHOOL HALF TERM PLAY /SPORTS SCHEMES

We have learned that Haverstock School will be running their usual friendly sport and play schemes at their school this coming half term. Children from Years 5 and 6 can join in the fun and, if they attend all sessions, their initial payment is returned to them. Liz Ghamar might have some more details.
