From our Head Teacher

The end of a busy term is here and the Easter Break is upon us. Wishing you all a happy and restful holiday whatever you get up to. Let's look forward to a sunnier term but with lots planned. **Robin**

Staffing

Sadly, we say goodbye to Lauren Healy this term. Lauren has been in reception this year and been a wonderful addition to the team but she is taking some time out next term.

2 Year Old Provision

We are doing lots of work around offering a 2 Year Old Provision for children from 2017. This is in response to the Government agenda in offering 15 free hours to children under 3. Along with Netley and Brecknock Primary Schools, Primrose Hill is developing plans to provide this from January. On our website and twitter feed there is a demand survey which will help us work out what is needed and how to best meet the needs of our families. Our plans are ambitious and would enable us to make some big structural alterations to the building...watch this space!

SATS ...

As you know, the government are implementing new SATS arrangements this year so it is all new for ALL Y2's and ALL Y6's across the country. Robin will be running some parent briefings in addition to the material that has already been sent home.

Please try and attend one of these sessions :

Friday 15th April 9am and 3pm for Y2

Monday 18th April 9am and 3pm for Y6

Camden Music Festival

The Y4 children were absolutely amazing at the Camden Music festival at the Royal Albert Hall on Monday. They did us proud with their singing and performing. This event costs Camden £32K to keep going; Monday's text appeal on the night did not raise much....in fact just £86! If you'd like to help. Text 'CAMD16£5' to 70070 to donate £5 and help keep music alive in our schools.

Bouncing on the castle made £658.59 towards books for the Library. Very generously, three governor parents have donated an additional £3,000.00. A BIG, BIG THANK YOU TO EVERYONE!
