From our Head Teacher

We have started our 'quizzes' in Y2 this week and are getting ready for Y6 next week. Schools are in an interesting place with assessment at the moment, so all we can do is give the children the very best teaching and let them demonstrate their very best learning. It was very interesting to see David Cameron challenged in Parliament this week to see whether he knew what a subordinate conjunction was! Fortunately, our Y2's don't need to know that. We have been super impressed with their hard work so far. That you are fantastic and happy children is what is most important.

YEAR 6 SATs Next week is Key Stage 2 SATS. All Y6's across the country will sit several tests in Reading, SPAG and Maths at the same time on the same day. We have given your children a 'pep' talk today, now it's your turn, parents & carers....please make sure your child is rested and ready for Monday. We are doing an 8:15 breakfast for all children in Y6 so they can start their day in a calm and healthy way. There must be **NO ABSENCES** and **NO LATES!**

We all send good wishes to our Year 6 children taking SATs next week. We know they have worked very hard towards these tests and know, too, that they will do their very best.

Our Choirs need more children!

Do you love to sing? There are still places in KS1 Choir during Monday lunchtime and KS2 Choir on Friday lunchtime. Choir is always fun and there are will be lots of opportunities to perform in and outside of school. Don't miss out!

Measles The NHS have asked us to communicate that there have been an increasing number of measles outbreaks in London. It is important to spot the signs and symptoms which last up to 8 days :

- Irritability
- Runny nose
- Conjunctivitis or itchy eyes
- Cough
- Increasing fever that comes and goes
- Rash which usually starts on the forehead and spreads downwards

Please let the office know if your child has suspected measles. Children are infectious before the rash appears and for several days after. They should not return to school until at least 4 days after their rash began. Please speak to your doctor if your child has not had two doses of the MMR vaccine or if you are worried. For more information go to www.nhs.uk/Pages/HomePage.aspx

Spare clothes for children in school

We would love you to donate some spare changes of clothes to the school. Sometimes children may need a change of clothes because of an accident and we can draw on the spare clothes bank to sort them out. If you are able to help, please leave your clothes donations in the Community Room next week or see Sandra Grogan. Many thanks.

Y2 Morning Routine

A reminder that children in Y2 should be going up to the classroom by themselves now. The children start their learning straightaway in Y2 and the teachers begin their teaching straightaway, so it is not always convenient to talk to the staff or ask questions first thing. Each week there is a 'liaison time' where teachers are in the playground early at the end of the day, or you can make an appointment to see the teacher if you are unable to make this time. Please try and encourage the children to go upstairs by themselves. Thank you.

Teacher Liaison

As you know once a week KS1 and KS2 teachers will come into the playground before the end of the day to have a chance to meet parents and carers informally. This may be disrupted if we are short on staff but, invariably, this will happen on set days per week as follows :

Teacher	Day
Kate	Monday
Jill	Friday
Becca and Rhiannon	Tuesday
Marianne	Monday
Paul BT	Wednesday
Christina and Mary	Wednesday
Attie and Jemma	Monday
Laura	Friday
Tracy	Monday
Paul and Hannah	Wednesday

Sad news and good news

One of the two chickens in our eggloo died this week. Jill Hayman, Leader of PSHCE, is to re-home two this weekend from the British Hen Welfare Trust so that our remaining hen will not be lonely.
