From our Head Teacher

After the intensity of SATS we have had a calm week. Some Y6's have been doing some cycle training this week. Emma led an assembly about Autism Awareness with the theme 'it's ok to be different!' and about how children and adults with autism experience the world differently. This prompted some good discussions with the children. Next week is STEM Week – see below. **Robin**

Primrose Hill Primary School APP Launch

On Monday, 23rd May Primrose Hill School are proud to be launching a new **smartphone app** - 'Before 11³/₄'. It is our first app. We can't wait to see and hear about your experiences with the fantastic activities within the app - all chosen by the staff of Primrose Hill. Check your Google Classroom page and the School Website for details from Monday!

Healthy Schools Silver Award

Jill Hayman has been busy putting together all our PHSE evidence and I am pleased to announce we have been awarded the Healthy Schools Silver Award. This has come from analysing our children's needs and putting in some school-wide actions. Well done!

Rainbow Class visit The Golden Hinde II

On Tuesday this week our Rainbow Class visited The Golden Hinde, moored at Bankside. The ship is a reconstruction of that sailed by Sir Francis Drake in 1577. Our young children enjoyed the experience on

board the ship, and were so well behaved travelling to and from school.

Friends of Primrose Hill News

This year the Summer Fair will be held on Saturday 9th July 12-4pm.

We want to make this a real whole school community event to celebrate the end of another wonderful year at Primrose Hill.

WE NEED YOUR HELP We need donations of books (adult & children's) for our book stall. Chocolates, bubble bath, nail polish, tinned food, bottles etc for the tombola. International food — the school has so many different nationalities and it's your chance to shine. Please make a dish from your country to sell at the fair. We also need cakes for the cake stall.

None of this will be possible without your help, so please help on the day. Each class will be allocated a stall/inflatable to man during the fair; sign-up sheets will be following via your class teacher in the next few weeks so watch this space. It's really fun helping and gives parents/carers an opportunity for them to be involved in helping your school.

Money raised last year by the Friends of Primrose Hill has been spent on the following:

- Class book corners
- Father Christmas
- Contribution to the School's Shakespeare Drama Festival
- Art materials
- Playground Equipment
- Lunch club games
- Books for the new library
- Year 6 leaving presents and Year books
- and they buy the PE kits.

All this is only possible thanks to the generosity of the fantastic parent/carers in our school.

Easyfundraising.org.uk

As you know, we are really keen to get our very own floating classroom. Every penny helps and with this in mind please check out this website <https://www.easyfundraising.org.uk/causes/primhill/>. The school makes money simply by you shopping at no extra cost to you. One school has raised over £11,000 and they only have 160 children in their school. We have 489 so imagine how much money we could make if we all get behind it. We need as many supporters as possible so tell your friends and family, let us see if we can be the most profitable school!
