A big welcome back to you all. This is a special mini newsletter just to inform you about what is coming up this term. Please read it carefully so you have all the information you need. Our first 'normal' newsletter will go out next week. Please make sure you also check the website for annual term dates. You will hopefully have noticed our exciting sound all around the school. You will have also seen construction has begun on our two year old provision. This weekend is Eid Al Adha. If you wish to observe this religious festival please let Pauline know. And so the Primrose Hill machine begins! **Robin**

School Improvement Plan

We will be publishing our School Improvement Plan in the next few weeks, but we have already begun working on our priorities:

1. To raise quality of teaching and attainment in reading, writing and mathematics. This will include:

- Increasing overall attainment in Specific Areas of Learning (EYFS)
- Increasing % of children achieving age related expectations at the end of each year
- Narrow the gap between disadvantaged and non-disadvantaged pupils, boys and girls and key ethnic groups.

2. Focus on the development of writing across the school

3. Implementation of the Growth Mindset approach

4. Implementation of 2 year old provision

5. Develop the partnership with the cluster of Camden Schools.

Meet The Teacher Meetings

We have scheduled meetings for you to meet the new staff in each year group. This is a really important meeting to attend to hear all about the forthcoming year for your child.
