Well, our chickens are now in situ. Tania, Sharon and Emma ventured to deepest Surrey at the weekend to collect Madonna, Kylie and Cyndi. They are settling in well to their new uber fancy coop. They've even laid eggs already. Therefore we have a welcome return of the chicken blog! It's been a busy old term – children, staff, parents and governors have all worked very hard, so enjoy a well-deserved rest next week. Happy holidays. Robin

Chickens

Good afternoon Primrose Hill we would like to introduce ourselves :

We go by the names of Madonna, Kylie and Cyndi we are your new celebrity hens. As you probably know by now, Emma (our agent) , Sharon (our PA) and Tania (our manager) collected us in the tour bus from deepest darkest Surbiton last Saturday.

What an adventure ,we were so eggcited to be coming to such a wonderful new home that we sang all the way to Primrose Hill. At one point we got into the groove so much that Sharon thought we had laid an egg.

The coop is five star the crème de la crème for superstar chickens like us, it could do with a few mirrors and a couple of lights but its early days!

We love the green colour scheme and the fancy ladder that takes us to our dressing room, there's even straw on the floor what chicken could ask for more.

The welcome that we have received has been amazing, Robin even had an assembly for us. Bit of a shame he didn't source a red carpet but nobody's perfect.

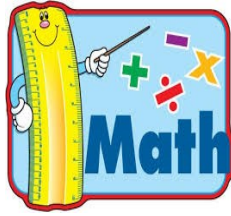

We hope that you will join us on our journey here and look forward to meeting you all very soon.

We can also be hired for weddings, christenings and Bar Mitzvahs etc. under the name of The Primrose songbirds.

Must dash we need to perfect our harmonies, we have a couple of gigs lined up during half term, practice makes perfect and all that. Happy half term

Madonna, Kylie and Cyndi.

Attendance and Punctuality

Letters have gone home with the children today regarding your children's attendance and punctuality. Please check attendance grids and speak to Pauline with any concerns you may have.

Use of Mobile Phones

A reminder regarding using mobile phones in school. Parents and Carers are asked to switch off their phones if they are coming into Nursery or Reception Classes and leave the setting if they need to use their mobile. We would also ask if you are in the school building, you should not use your mobile phones. This is advice from Government Safeguarding documentation and in keeping children safe. Thank you for your co-operation.

Growth Mindset

We've made great progress with our Growth Mindset work since September and are seeing the impact of this from the children in their resilience and in their learning and attitudes. Becca will be running a parent workshop next term to explain all about it. This will take place on Friday 17th March at 2:45.

KS1 SATS

Robin and Pippa will be running an information session for Y2 parents and carers about Key Stage 1 SATS on Tuesday 28th February at 9am.
