School Improvement Plan Questionnaire for Parents and Carers

Dear Parents & Carers

Each year the staff, children and governors review the progress we have made in teaching and learning and school improvement and identify areas of focus for continued improvement for the future. This self-review and evaluation is part of our ongoing school self review and improvement cycle and helps us to devise our 'School Improvement Plan' or S.I.P.

Our next School Improvement Plan will run from September 2017 – July 2018. It is very important that all members of the school community have the opportunity to contribute towards this plan. All parents, staff and school governors are asked to contribute, as of course are the children.

We would be grateful if you could take a few minutes to complete the attached questionnaire, so that your suggestions can be included.

We look forward to receiving your views.
