A big well done to our children who have worked incredibly hard this term, especially those in Y2 and Y6. I have been impressed with their efforts, resilience and determination. It is also brilliant to see the quality of the teaching and how hard the staff work to give your children the very best opportunities. Well done to you all, including you as parents for supporting us by bringing your children in to school every day and on time, and encouraging them to do their very best. Wishing you a happy half term holiday. We will be back on Tuesday 6th June. Robin

Class Photographs

The school photographer is returning on Thursday 8th June to take class photographs. This year the children will be photographed in friendship or small groups of 5 or 6 children which will be put together to make a class photograph. These are always a lovely memento of your child's experience in school. We will text you to remind you nearer the day, but please put the date in so you can plan your outfits accordingly!

Sports Day

Key Stage 2 Sports Day is not far away on the horizon. This is scheduled on Tuesday 13th June and will be held as usual at Parliament Hill Sports Track. Jordan has been busy planning the event and more information will follow next week. In the

meantime, if you are able take the time and support us on the day you would be most welcome to join us. This affects children in Y3 – Y6.

Chicken Pox

There have been some reported cases of chicken pox in school. The guidance advises children to stay away from school until all of the blisters have dried up and scabbed over. This usually happens five or six days after the rash appears. If in doubt, always check with Dr Pauline in the office ☺ We have children with medical conditions, and pregnant staff in school which make them vulnerable if there are other infections in the school.

Building Work

A reminder that the arches will be closed after the holidays and access will change to enter the building.

During soft start, all children should come in the top playground door and use the route they use during the day once in the building. We have new entry and exit routes as a staff and the children will practice these after the holidays.

Ramadan

Ramadan will begin in the evening of Friday 26th May and will end Saturday 24th June. Parents in Y5 and Y6 should speak to Robin if they want their children to fast. Only one day will be authorised, for the religious observance.

Summer Fair

Summer Fair | July 12-4 pm

This year should be the bounciest ever

Chickens

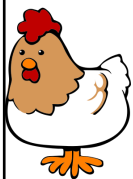

It's hello and cluckadoodle doo from all 3 of us this week. What a flock of silly chickens we have been. Honesty really is the best policy and we all feel so much better now that we have shared our dilemmas with each other. Who would have thought all of us were offered our own gigs. How lucky are we?

So with all of us doing our own thing we wanted to do something together too. So we are helping organise this year's summer fair. It's on 1st July and we can't wait. We have got loads of ideas like pin the feather on the wing. How many eggs are in the basket. Guess the weight of the nest the list is endless. We are really looking forward to it. We might even sing a song or three as a grand finale.

Keep the date in your diary .

Enjoy half term we've got lots planned and will tell you all about it when your back.

Happy holidays
