

Primrose Hill Primary School

PE Statement 2017 - 18

Date: April 2017

Review: March 2018

PE Premium Funding Statement 2017 - 18

The government is providing additional funding to improve the provision of physical education (PE) and sport in primary schools – this allocated based on the number of children in Year 1 – 6.

Schools with over 17 eligible pupils will receive £8,000 plus an additional £5 per pupil. In our school this will amount to £9,962. The school will receive this funding in 2 parts: £4,144 for April 2017 – August 2017 and a second amount of £5,818 for the September 2017 – March 2018. The PE Premium funding is being used to improve PE and Sport Provision across the school. Since the introduction of the PE premium in 2014 this has meant a huge success in raising attainment in PE and we will continue to build on our provision again this year.

At Primrose Hill we already prioritise PE and sport in our budget to enhance children's participation, involvement and attainment in PE; however, this additional sum contributes a significant amount for our school which so far has enabled us to develop the PE offer in our school.

The PE premium will contribute to the overall PE budget and in the financial year 2017 - 18 will be spent in line with government recommendations for how to best utilise the funding:

Provide existing staff with training or resources to help them teach PE and sport more effectively:

- Providing level 5 PE lead training to our PE coach.
- Investment in a full time PE teaching assistant
- Continued investment in resources across a wide range of existing sports.
- We continue to invest in new equipment and resources in order to introduce new sports to our children identified by the PE team

Introduce new sports or activities and encourage more pupils to take up sport:

- Providing a range of sports clubs to all year groups outside of curriculum time, including basketball, cricket, cross-country, football, athletics, netball, hockey etc that are led by the PE coach and PE teaching assistant
- Children in Year 6 have the opportunity to participate as Sports Captains where they model and lead KS1 sporting activities during their lunchtime.
- Children take part in whole school events to raise activity - Race to Health.

Hire qualified sports coaches to work with teachers:

- Continuing to utilising external specialists to provide activities beyond the standard PE curriculum. These include Karate, Street Dance and Gymnastics teachers from local clubs.

Run sport competitions, increase pupils' participation in competitions and run sports activities with other schools:

- Children are identified to take part in competitive team competitions across Camden and London e.g. Camden Football, London Youth Games.
- Children with an identified SEN participate in inclusion competitions across Camden – these include inclusion cricket, athletics and basketball.
- Children in Year 2, 3, 4, 5 & 6 have timetabled swimming lessons for part of the academic year. For some year groups, this also includes a coach for the journey.
- We fund our annual subscription to the CSSA (Camden School Sports Association)
- Cross Country

This initiative is being led by the following personnel:

- *Liz Ghamar (Assistant Head)*
- *Jordan Lawal (Level 5 PE lead)*
