The final stretch of the year begins. The recent events in London have saddened everyone but we stay determined to continue as normal and where trips are planned, we will carry on, paying particular attention of course to the children's safety and well being. Have a good start to the term everyone.

Balloon Launch

What an amazing event! A big thank you to all of you who bought tickets. Huge thanks for the parent team on the day who blew up 500 balloons and in particular to Tania whose work makes such a difference to the school in so many ways. We've already had 23 labels back. The winning label whose label travelled to Burton Aynes near Scarborough (222 miles) away was Damari Taylor in Froglets. He wins London Eye Tickets!

The runners up were: Atis Hyseni (Hedgehogs) Boston, Lincs 109 miles, Edoardo Grazzini (Sticklebacks) Grantham, Lincs 108 miles and Hiwaad Arian (newts) Boston Lincs 107. Well done all!

Pupil Election

Y5 have been absorbed in their school elections, learning about the whole election process with excellent teaching and enthusiasm by Paul and Jemma. The children have formed four 'political' parties and the other children in KS2 have had to register and cast their votes, mirroring the wider political picture. It has been a great experience for everyone. Well done Y5!

Stars of the Week

This is a busy time for our Muslim families. It's magnificent to hear the children talk so proudly of their celebrations. We will be hearing more about this special time next week in assembly.

Don't Forget Key Stage 2 Sports Day on Tuesday...events start from 10:30

Summer Fair

In assembly today I showed the children the tombola jars. The children are excited about these and we hope you will encourage the children at home. Remember, if you would like to help us on the day, please speak to Tania. We've got lots planned! Saturday 1st July.

Collaborative Review

We are having a review later this month as part of or work with the four other cluster schools. We did this last year where our Camden Professional Partner, a peer Head Teacher and our Senior Leadership Team do a review of an aspect of our school to validate our judgements and the quality of teaching and learning. This year the Head Teacher and Assistant Head Teacher of Carlton are joining us. Mireille and Robin are also doing a reciprocal visit to Carlton. More info on this to follow.

Building Work

You will have seen the hoarding occupying some of the lower playground. We are working around this and the new entry and exit routes for some classes are working well. There is bound to be some disruption of some kind with any sort of premises work but we must make the best of it and look forward to better facilities for the children in the future.

Chickens - Hello and howdy from the garden.

We hope you had a good half term. We did.

It's been lovely watching all the seeds turning into plants that have been planted by gardening club.

The whole garden really is fit for celebrity hens.

The gardening clubbers do an amazing job and make sure we have enough radish leaves to keep us happy.

You must come and visit us you would be amazed by the beans, peas and pumpkins that we have managed to grow.

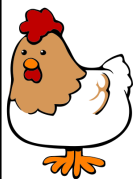

The pond is also coming along. Conor is doing a great job and it will double up as a chicken spa. We are very excited.

We are also looking forward to the summer fair. We have been booked to sing.

Exciting times ahead.

See you next week

Attendance & Punctuality

This week's attendance has been very low at only 94.53%. Only a few classes had over 96% attendance. **WE NEED TO GET OVER 96% NEXT WEEK- WE CAN DO IT!** Our lates still continue to be great, with most classes having no more than 5 lates. Well done to all the children who are coming into school every day on time!
