Friday 9th June 2017

Dear Parents and Carers,

Starting the week of 10<sup>th</sup> July, the Year 3 classes will be covering work on Sex and Relationships Education. There will be 3 lessons in all: Growing and Changing, when we will consider how humans change from babyhood to adulthood; and the similarities and differences between male and female children; naming parts of the body.

The children are probably discussing most of the areas we cover with you already. This material comes from the science curriculum and is compulsory.

If you have any questions regarding this topic, please speak to us and we can show you the materials and give you more insight into this Science topic.

Yours sincerely,

Paul Baron Thomson and Nabila Harti

Class teachers, Year 3

*Head Teacher: Robin Warren*
