A week by the seaside is good for the soul! Away with Y6 School Journey to Osmington Bay in Dorset. The children have been magnificent, enjoyed the full range of activities including kayaking, raft building, abseiling, tunnelling, fencing and playing on a giant swing!

TRAVEL & BIKE DOCTOR!!

Last year's Bike Doctor was a huge success and many of you had your bikes fixed for free!

We are having it again this year on 18th July 2017. Adults and children can bring in their bikes to school and trained 'Bike Doctors' will try and fix them or give you advice on what to do. Please bring your bike into school and take it straight to the football Muga on the top playground. I will be waiting there to help you.

In addition to the Bike Doctor, we have someone from the Metropolitan Police coming to register bikes for free- this takes around 2 minutes, so please make sure you stay and take advantage of this free offer. This will help identify bikes, especially if they are stolen.

Lastly, on Monday 17th July - Friday 21st July is Walk, Cycle or Scoot to school week. I will visit each class during the week and give badges to children who have cycled, scooted or walked to school! So make sure you do it everyday!!

All of these activities and promotions will help our school achieve a Silver Award for our Travel Plan!!

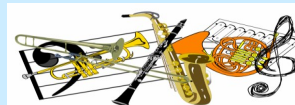

Happy cycling, scooting or walking - Mireille

Instrumental Music Concert

Tuesday 11th July there will be a Instrumental Music Concert from 5pm. Please come and celebrate all the children's hard work this year.

All welcome!

Chickens

Hello from the chicken coop. We've been so busy recently we haven't had time to blog.

It's been such an eggciting few weeks, our personal highlight was headlining Cluckstonbury. This is a huge honour in the fowl and waterfowl world. We couldn't believe it when Louis the Mandarin duck booked us for the gig. We got to play on the main stage (known as the nest) to a huge audience of 50,000 chickens, ducks, geese and even a couple of turkeys.

Jordan and Dean have worked so hard with Madonna on her moves she didn't put a feather wrong!

Cluckarama kindly agreed to be our backing singers and Ed the goose played guitar. We put the material back into material girl even if we say so ourselves!

The audience flapped, squawked and danced along. Doris the duck even laid an egg while trying to moonwalk!

Rainham marshes rocked. What a night.

Must dash it's nearly the holidays, we're deciding where to go.

Later's Madonna, Kylie and Cyndi x
