

Go and visit one of the many amazing free museums in London. Write a report about the things you saw there. How did you get there? What was your favourite thing?

Pick a London Landmark or Attraction (London Eye, Big Ben, Buckingham Palace or any you like). Can you make a model of your chosen one? You can use cardboard, tubes, paper, egg cartons, boxes. Decorate it using whatever you like!

Write a list of all the words you can think of to do with London. Now put them into alphabetical order. Now put them into the order of how many letters they have. Now try and make a wordsearch with them!

Make an 'I Spy' activity sheet for someone who will be visiting London. What things might they see which they will be able to cross off from your sheet?

London Topic Home Learning Ideas

Write about London's famous river. What is its name and why do we have it?

Visit the website <http://www.activityvillage.co.uk/learn-to-draw-london-landmarks> and teach yourself how to draw a famous London landmark, people and transport.

Using a tube map, pick two stations on different lines. Try and write some instructions from someone to help them travel from one station to the other.

Write about a London landmark. You can do this on a postcard, a newspaper or a factsheet. You can use the internet or use books from your local library to help you.
