A screenshot of the Camden Council website's secondary admissions page. The page has a light blue header with a home icon and navigation links: / Education / Camden schools / Secondary schools. On the left, a white sidebar contains a 'Education' menu with links to 'Camden schools', 'Secondary schools', and 'Secondary admissions'. The main content area is titled 'Secondary admissions' and 'Applying for a secondary school place'. It features the Camden schools logo and a paragraph stating the council's aim to help every student reach their potential. Below this is a list of links: 'Download: Secondary schools in Camden guide – applying for a Year 7 place for September 2018 (PDF)' and 'Read the sections for each individual school'. A paragraph explains that children born between 1 September 2006 and 31 August 2007 start secondary school in September 2018, with applications closing on 31 October 2017. The 'School open days and evenings' section lists three bullet points: attending open days, attending a 'Moving On to Secondary School' event on 14th September 2017, and visiting schools on their own open days. The page ends with a link to download a poster with dates and times.
