HOME LEARNING & GOOGLE CLASSROOM

We will be issuing mathematics and spelling home learning each week. This will be shared via Google Classroom along with other announcements on how to support your children at home. Paper copies of the homework will be issued if needed. Children will also need to complete a reading log of the books they read throughout the week. All children will have home learning books, but they can also share work with us on Google Classroom or on their Google Drive.

Autumn 1 Home learning Ideas

Here are some home learning ideas to complete with your children based around our Autumn topics:

- Go on a hunt for Roman ruins around London.
- Visit the Roman galleries in the British Museum or the Museum of London.
- Make a 'diorama' showing daily life in Ancient Rome.
- Research one aspect of life in Ancient Rome and make an information book about it.
- Cook a meal together. Write down the recipe.
- Find out about Julius Caesar and write a biography about him.

WEBSITE

Please remember to use the school's website. Important information can be viewed there easily and examples of your children's work are displayed on it regularly. The website's address is:

PUNCTUALITY

Soft Start begins at 8:45am and the register is taken at 9.05. Attendance and punctuality is crucial as continuous absence and lateness will result in your child missing important teacher instructions and learning.

We are looking forward to a busy and exciting half term with you and your children. If you have any concerns or queries, please feel free to make an appointment with us to discuss them. Paul will be available on Thursdays and Jemma will be available on Fridays from 3:15pm in the playground.

Many thanks,

Paul Baron Thomson & Jemma Bourn
