Our Healthy Schools activity is taking shape. Gardening developments are steaming ahead with Emma and Tania creating ambitious plans catching me when I'm occupied and fleecing me for ££££ for railway sleepers and the like! It's going to look fabulous. Cooking club is also extremely popular. I had a delicious vegetable curry delivered to me by the children on Monday. **Robin**

Spring Term Parent Consultations

Next week, we will be sending out the appointment texts for the Spring Term Parent Consultation Meetings which will be taking place on Weds

28th February.

This means the Tadpoles, Froglets, Newts and Sticklebacks will be CLOSED all day. Y1 to Y6 classes will be morning only with school CLOSING at 1pm to allow for the appointments.

You will also have opportunity to speak to Emma or Mireille about Maths groups, also to Jordan and Tom about PE and Music.

You will receive a text giving you a heads up that the appointment text will follow. If you have any queries please see Ilirjana.

KS1 SATS Meeting

Robin will be running an information session for Y2 Parents and Carers at **9am on Monday 19th February**. If you cannot make this date, the information will be on the website and if you have any questions you can approach Robin or Pippa with any questions.

Parent Governor Elections

Ballots close today. Please don't forget to cast your votes. Videos of each candidate are on our school website.

School journey payments!

If you have NOT paid £50 deposit towards the School Journey, we will assume that you don't want your child to go on this trip.

If you have, please remember to continue making regular payments towards the trip. The payment MUST be complete by 11th June 2018, before your child goes on this trip. If you have any issues please contact Ilirjana.

E Safety

Next week we will be doing some events and activities in class around e-safety. Robin will be leading an assembly on Tuesday, followed by a theatre workshop for KS1 and some sessions with Nigel from Purple Mash in KS2.

Y6 Writing Development

We have begun some mini writing groups in Y6 led by Marianne and Nabila but supported by Robin, Syra, Danielle and Rhiannon. It has been a positive start to the sessions with some really quality outcomes from the children who are showing a great positive attitude to learning. Well done Y6.

Clubs

Due to the overwhelming responses each term, we are setting up a new, streamlined more efficient system for club applications. All applications will be done via an app which will personalise your experience for you. It will show you all the relevant clubs available to your child, depending on their age and register your application choices. It will get back to you when places have been allocated and finally it will set up a personal timetable for you. The timetable will ensure you are in no doubt about which clubs your children are in, the days and times.

In order for you to receive the initial link taking you directly to the app setup, the school will need your current email address. Your email will only be used to send you the activation link, everything else is done through the app.

We will be available on the afternoon of parents' consultations to help as best we can, however all applications must be done through the app which will have all the necessary details unique to you.

Chickens

Greetings and salutations from your celebrity hens. Its been so cold back here not even the straw keeps us as warm as it should so we have had to do something to warm ourselves up. The obvious choice was ice skating, every chicken should try it. There's nothing like a frozen puddle to put you in the mood and get your skates on (literally).

Turns out Jordan and Dean are pretty nifty on the ice (who knew) and they have been teaching us a whole routine. We have called it "Cluckairo". Ilirjana is once again in charge of costume design, for some reason she's gone for purple, luckily its our colour so we are happy. Madonna is having a bit of trouble on the triple salco but it's hardly surprising as she's not great on a hard surface and we have found that ice is terribly slippery.

Jordan and Dean are sure that we will be "skate ready" by the time the garden has its grand opening. Must dash, Sally and her pigeons are coming to watch the rehearsals.

Love Madonna and Cyndi

Attendance & Punctuality

A slight improvement to last week's Attendance for EYFS so well done!

Let's aim to get over 95% next week!

EYFS = 94.91% KS1-Ks2 = 93.51%

Well done to Grasshoppers for getting 98.52%!!
