## Science Club Celebration

Dear Parents & Carers,

Our budding scientists in Science Club are quickly becoming experts on the human body digestive system! As a celebration of 5 weeks of scientific enquiry and discovery, we would like to invite you to a showcase of your child's learning on the 7<sup>th</sup> February, 4pm-4.30pm in the community room.

This will be an opportunity for your child to share all the scientific knowledge and skills they have learnt over the course of the club sessions.

We hope you can join us to learn from your children and share the excitement of their scientific exploration!

Yours sincerely,  
Niamh Keating

**Reception Teacher and Leader of Learning for Science and STEAM**
