We have had our Challenge Partner Review this week and I have been really pleased with how this has gone - the teaching and learning has been fantastic, our school looks wonderful and the children are superb. There has been a real energy around learning. I will provide more information in due course. Have a great weekend all. **Robin**

School Photographs

Our School Photographer will be coming on 20th and 21st March to take individual photos of the children. Nearer the time, once I have done a schedule for the two days I will let you know which classes are on which day so you can plan your outfits.

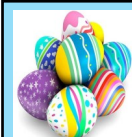

Easter Holidays

School finishes on **Thursday 29th March at 1:30pm** for the Easter Break. School opens again for the children on **Tuesday 17th April**.

Staffing

At the end of term, Rhiannon Beeton will be leaving Primrose Hill to take up a new post in Islington. Rhiannon has been with us her entire career and taught across all phases in the school. Rhiannon is taking up a post closer to home as an Art Teacher which is something she will be brilliant at! We wish Rhiannon all the best. We will miss her creativity and attention to detail.

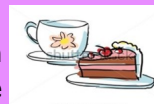

Friends of Primrose Hill Forthcoming Events

Our annual Sponsored Bounce will be on Tuesday 27th March. Any money raised will go to our Barge Floating Classroom Fund. Next week the children will bring a sponsor form home to collect some sponsors for how many bounces they can do, or you could just prefer to donate £2. In addition, we will be sending home an 'egg' template for the children to make their own Easter egg design. Next week your child will be given a sheet with an egg on it. The children can decorate it however they like, the bolder the better, bring it in along with £1.00 to the class teacher on Monday 19th March. There will be one winner per class. How exciting, happy creating.

Coffee Morning

We will be holding an EYFS coffee morning on Tuesday 20th March from 9am in the community room. If you would be interested please come and join us. More info to follow next week. We are seeking parents who would be willing to volunteer a few hours of their time each week to talk to other parents about childcare and services available at our children's centres and nurseries.....

Chickens

It's as eggciting as ever back here in the garden. The building and digging is coming on a treat. The little gardeners have been eggstra busy moving soil into the new beds already for summer planting. Its nearly done. We cannot wait for the grand opening. In other news, we have been scouted to be models!! Its true we couldn't believe it either. It must be down to our asymmetrical dressing! Two beautiful birds dropped by and said that they had heard about us from Robin (who's an actual Robin). We did some singing, a bit of dancing and we were in! Our photo shoot's next week. Have a nice weekend and happy mothers day to all mother hens for Sunday. Just think, next time you buy a box of eggs look carefully we might be on the front of the box!

February 2018

Dear Mr Warren,

I would like to congratulate you, your staff and your pupils on the very high level of progress that pupils in your school have made in their reading, writing and mathematics.

Your school's key stage 2 results, as published on 14 December, show progress scores of 5.4, 3.2 and 3.7 in English reading, writing and mathematics respectively. This means that your school is amongst the top 2% of schools in England in terms of the progress your pupils make between key stage 1 and the end of key stage 2.

We want to ensure that every child has the necessary fluency in reading, writing and mathematics to prepare them for a successful secondary education and beyond, and your school has provided this.

Thank you for your hard work and professionalism in producing such high standards and congratulations again to you and your staff for all you have achieved.

With best wishes.

Yours sincerely,

Rt Hon Nick Gibb MP
