A beautiful sunny return to school after the holidays. I hope you all had a good rest and enjoyed yourselves whatever you got up to. We have a jam-packed term ahead with lots of learning, fun and activity. Please check the diary for some key dates. Robin

Phonics Check

For Y1 children, there will be a Phonics Check the week beginning 11th June. This will also involve those Y2 children who did not reach the threshold during Y1.

Robin will be holding a meeting for Parents on Monday 30th April.

A Phonics Goody bag will also be given out at that meeting for you to use to help your child at home. Please make every effort to attend if you can.

New Classroom

The new classroom is now complete in terms of building and construction and we will spend this term making it beautiful in readiness for our next Reception cohort. As you know, the new space...called Ladybirds Class...will be one giant class for all of Reception with two teachers and two nursery officers. I am confident this will be a brilliant resource for our children, knowing how amazing our EYFS Team are and the excellent foundation the children transferring from our nursery have had with Richard. Watch this space.

Staffing

A big welcome back to Laura Beeson who returns next week from her maternity leave. Laura will return next Friday 27th April, then from the following Monday will be the Woodpeckers class teacher each Monday, working alongside Danielle for the rest of the term. Laura will be back three days per week and we are all very glad to see her return.

Building Work

With the classroom now complete, construction turns to renovating each individual window in the school. We are happy to put up with some more disruption if it means the windows are safe and energy efficient. We are so lucky to have had such a whopping investment from Camden into the building.

Chickens

Howdy from back here in the garden. We hope you had a lovely Easter. We missed hearing you all in the playground so are very happy you're back.

Its been busy with the garden refurbishment taking shape. The little gardeners planted fruit trees on Tuesday. It's turning into a place fit for Royalty so obviously us celeb hens feel very at home.

Did you know that this Sunday is Earth day? The focus is to reduce the use of plastic which is ruining the planet. We are proud to announce that as chickens we don't have much use for the stuff so, as we can't reduce our use we are holding a concert to spread the word to the bird community.

The Eagles are coming to support us which is fab. It's nearly sold out, there's flapping room only. Taylor Swift who's an actual swift, was going to perform but, she's too busy building a nest, tis Spring after all!

We will tell you all about it next week, in the mean time, see if you can reduce the amount of plastic you use in your coop.

Love Madonna and Cyndi xx
