Two events next week which I think are well timed – Key Stage 2 SATS and National Mental Health Awareness Week. There is lots in the media about children being stressed about SATS and the pressure being on them; I believe that we have the balance just right at Primrose Hill. We do expect the children to work hard and do their very best, and they are very motivated and the staff are very driven to ensure the best outcomes, but we are also mindful of their pressure we put them under. Next week is a wonderful time at school where everyone comes together to work with our Y6's to cheer them on to their best. We're proud of them. Go for it!

**Reminder - School finishes for Half Term on FRIDAY 25<sup>th</sup> May at 3:30 and will re-open on TUESDAY 5<sup>th</sup> June at 8:45.**

## Y6 SATS

A reminder we will be running a morning breakfast club for all Y6 children from 8:15 on Monday, Tuesday, Wednesday and Thursday next week. This is to ensure the children have time to spend with their friends, get ready and to be in school and on time. The outline for the week is as follows:

Monday 14 <sup>th</sup>	English, Spelling & Grammar Tests AM
Tuesday 15 <sup>th</sup>	English Reading Test AM
Wednesday 16 <sup>th</sup>	Arithmetic and Maths Reasoning Paper 1 AM
Thursday 17 <sup>th</sup>	Maths Reasoning Papers 1 and 2 AM

There will be some changes to support staff or to class teachers in some classes as we arrange for Y6 to have additional adult presence.

## Walk to School Week

Walk to school week will be on the week beginning **21st May - 25th May**. We will have a class competition to see which class has the lowest amount of children who drive to school and can really focus on walking, cycling, ride and walk and scooting to school.

## Sex & Relationship Education

After the holidays, each year group will be teaching their PSHE unit on Sex & Relationships. Mandy and Robin will be leading an information session for parents on Thursday 7<sup>th</sup> June at 2:45 to outline the content of the SRE work and answer any questions parents and carers may have. You will also receive letters from your class to say what will be taught. If you need further information, you can refer to our SRE Policy which is on our website:

New course starts Thursday, 3rd May 2018

10.00 am to 12.00 (then every Thursday after)

## The Friends of Primrose Hill School

Need your help. We would like you to design a logo for us.

The logo needs to say F.O.P.H.S which stands for Friends of Primrose Hill School. The rest is up to you. Remember it will be used on letter headings etc.

**The closing date is Weds 23rd May.**

The winning logo will be used on our first news letter that will go out at the beginning of term. Good luck and happy designing.

## Summer fair 14th July

We are holding a meeting on

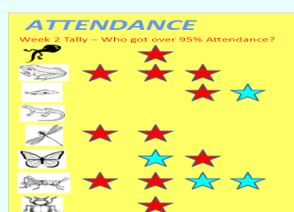

**Tuesday 5th June at 9 and again at 3pm.** We need volunteers to help organise and volunteer on the day. If you are interested please leave a note at the office for Tania and she will contact you.

## Attendance & Punctuality

KS1 & KS2: 93.19% EYFS: 94.61%

**WELL DONE TO STICKLEBACKS, GRASSHOPPERS AND FOXES FOR OVER 97%**

## Chickens

Just a very quick one from us this week. Its been busy, busy, busy. Plants being planted, and are on the verge of growing and our little gardeners working very hard to make sure everything looks fabulous.

How could Madonna leave Primrose Hill School?

We had a long chat and she decided that there's no place like home. Fame is never as important as friendship. She will always be a No1 celebrity hen in our eyes. The good news is she's staying. Must dash, next week we are having a very special visitor. Tell you all about it next week.

## STEAM Exhibitions

Year 4 hosted the first of three STEAM exhibitions this term. Using their scientific learning about electricity and inspired by R2-D2 & BB-8 from the Star Wars films, the children designed and made robots with real circuits! They presented their initial designs, the trial and error process during the manufacturing stage and the final outcome brilliantly. They even put their parents to the test to recreate a working circuit and asked for their feedback in an evaluation of their robots! It was a fantastic showcase of all their STEAM learning. **Well done Year 4.** Year 3 and 5's exhibitions are up next in a couple of weeks.
