This term has literally flown by. Some highlights have been the incredible STEAM exhibitions across the school – Thank you Niamh for championing these – and well done to all the classes for producing such well thought out and creative things. SATS and the work the staff and children have done has been incredible so a big well done to them. Also, the building work; we have the dream team working with us and helping our building look magnificent. I am excited for the end of this work though so we can do some playground and outside area planning for the future. Have a very well deserved half term holiday and I shall see you on Tuesday 5<sup>th</sup> June. Robin

### GDPR

You may have heard lots in the media about GDPR (General Data Protection Regulation). This affects all businesses and organisations from 25<sup>th</sup> May 2018 and refers to the data that is held about the children, families and staff etc. All primary schools are being supported by Camden in implementing the new requirements. For schools this includes having a new GDPR Policy and a privacy statement (drafts already created on our website). GDPR affects pupil records, transfer of information to new schools, how records are stored etc. Most of our data is kept on our secure school management system – Integris. GDPR for schools is nothing to worry about, but just to keep you informed of the changes ahead.

### Tadpoles Mosaic

Work has begun on the design and then making of an amazing legacy mosaic piece at the entrance of the Tadpoles classroom. The aim is to work as a school community to create a Tadpole themed mosaic to display next to the front door of their building. It will make for a very warm welcome to all our families whose children attend the wonderful Tadpoles class.

We extend a huge 'thank you' to Dita, Bethabel and Egzona who have worked really hard so far to research images and develop some fantastic designs for the mosaic, and we are now in a position, after half term, to start making it!

We would love for more Tadpole parents to come along and help make the mosaic. **No artist experience is required**, our fabulous resident artist Alice will be there to help you every step of the way. If there is space for other helpers, we'll happily open it up to the wider school community. We need many hands, so even if you can only spare 15 minutes, please do come along. It's also a lovely opportunity to have a coffee, tea, a biscuit or two and a socialise with other parents.

Work on the mosaic happens between 9 and 10.30 am each Tuesday, starting from the first week back after half term. Please come and speak to Liz in the Tadpoles, Alice or Richard if you'd like to learn more or volunteer your time, as little or as much as you can manage.

### Friends of Primrose Hill

Thank you to all of you who have provided a logo idea for FOPHS. We had a great selection and it was a hard choice to make the final decision. However, the winning logo is designed by Lorenzo C in Squirrels. Congratulations Lorenzo, we are looking forward to using this on our FOPHS newsletter!

## Attendance & Punctuality

A disappointing end to the half term with 93.78% across the whole school. Lets make sure we prevail and end the next half with a high percentage!

EYFS: 92.95% KS1-KS2: 94.02%

WELL DONE TO WOODPECKERS 98.66%!

**SUMMER FAIR**

Summer fair 14th July

We are holding a meeting on **Tuesday 5th June at 9 and again at 3pm**. We need volunteers to help organise and volunteer on the day. If you are interested please leave a note at the office for Tania and she will contact you.

### Message from Jordan - PE Lead

I want to start by saying a massive well done to the boys in Year3/4, who went to Parliament Hill running track to play in the Camden Schools Sports Association football tournament. We finished an impressive 3rd out of 30 schools across the borough which is a credit to the boys. With the world cup starting very soon, Dean, Robin and I will be organising a fund-raising day which will be all about the world cup. We will keep you updated with more information closer to the time.

### Next Term

Some exciting things next term to finish up the year; Phonics Week, Healthy Eating Week, Eid, Y6 School Journey, Sports Days, Visits for our new Nursery and Reception children. Please check the online calendar for some key events but note the following below:

Thurs 19<sup>th</sup> July

6pm Y6 Production at Haverstock School

Fri 20<sup>th</sup> July

KS2 Sports Day

**Weds 25<sup>th</sup> July**

**1:30 Finish, Last Day of Term**

### Stars of the week

### Chickens

We are so eggcited we might pop!

Don't know if any of you saw that there was a very special wedding last Saturday? We were lucky enough to be invited! As celebrity hens we do lots for the charity sector, we recently did a top secret gig for sparrows having trouble finding affordable nests in Camden, that's what clinched our invitation we think. What a day, Harry the hawk and Meghan the mud lark were just what the bird world needed. All that pomp and ceremony makes one proud to be a chicken. The dress was amazing, we were so close we could run a feather over it.

Robin (the actual Robin) predicted the designer. He is very skilled in these things. Shame he wasn't invited. Perhaps he was too busy presenting RSPB T.V!

We will remember that day forever. Have a lovely little break and see you in a week.

Madonna & Cyndi
