Welcome back. I hope you all had a great half term holiday. I've not been in school much this week as Richard and I have been doing some work for the Early Years Hub and then I was doing a school review at one of our Cluster Schools, Fleet. The SLT have been ably holding the fort. The second half of the summer term is perhaps the most busy in a school. Teachers are currently writing their end of year reports – this is a big production line with many adults involved in adding comments, proofing, formatting, printing etc. In addition, we have assessments, trips, Phonics, School Journey, sports days, Summer fairs etc. We're all excited but taking it day by day! **Robin**

STAY AND PLAY *Stay and Play Maths (Year 1- 5)*
Drop in Session! **Friday 29th June at the beginning of the school day**

On Friday 29th of June, parents are again invited to 'stay and play' Maths games with their child in class. Join your child at the start of the day and play Maths games that help promote fluency while having fun together.

World Cup

The World Cup is coming to Primrose Hill! The fun will begin on Wednesday 13th June 1.30 - 3.15pm with a KS2 Parents v Staff football match. We will also be holding a World Cup tournament for KS2 children over the next couple of weeks. We will be raising money towards the barge. It will be £2 per adult and £1 per child. Hope to see everyone there taking part or spectating!

Summer Fair

A reminder this takes place on Saturday 14th July. We would love for you to all attend, but we would also love for you to help on the day. If you are interested and available and haven't already offered your assistance, please let the office or Tania know.

Many thanks.

SRE

Mandy and Robin led a workshop on SRE (Sex & Relationship Education) for parents on Thursday. If you weren't able to come, and have any questions about what your children will be taught, please speak to your child's class teacher or to Mandy. They can provide information about content etc. A letter will be coming out shortly to you to explain when and what is being taught.

F.O.P.H.S are having a monthly newsletter. This will keep you up to date with all the amazing fundraising events that we hold as well as showing you how we spend the money raised.

We hope you enjoy it!

Tombola

This year for the tombola we ask if every family could donate 1 bottle. This can be anything, wine, bubble bath, olive oil, tomato sauce etc. Please bring in all bottles from Monday to Tania's desk at 3:30 on the top playground! Thank you.

School Improvement Plan Questionnaire

We have sent out a questionnaire for parents and carers to help us inform our next School Improvement Plan. As you know, you receive termly updates with our developments for the SIP, but we are thinking about what our priorities should be for the new year alongside the outcomes of pupil data. Please remember to submit your completed questionnaire!

Eid is approaching next week. We wish our families celebrating this festival a very happy time.

Chickens

Hello from the garden which may we say looks fabulous. Strawberries are strawberrying, beetroots are beetrooting and runner beans are running.

Brian and his band of bees are busily pollinating everything.

How lucky are we to have such an amazing space to live.

It's been another eggciting week, we hear there is going to be a summer fair.

We didn't need to be asked twice of course we will sing!

To be honest nobody has asked us yet but I'm sure they will.

We are in full training for next weeks world cup fun afternoon. Cyndi gets into a total flap in foal but Jordan's coaching her so she should be all ready for Wednesday!

Must dash we are hosting a chicken coop pop up restaurant today.

Love Madonna and Cyndi
