The countdown to the end of term begins – this year has gone soooooo quickly. There is still a lot to do before the end of term so see our final countdown dates below. **Robin**

DON'T FORGET SUMMER FAIR TOMORROW!

Key Stage 2 SATS Results

A big well done to our Y6's for their achievement this year. We will publish our SATS results in due course but we are VERY pleased, once again, with our incredible outcomes this year. This is the result of the children's hard work, your support as parents and the skill and commitment of our teachers throughout the children's time at school. A special thank you to Marianne, Nabila, Mireille, Sandra, Sabena and the Y6 Team.

End of Term Countdown

Monday 16 th July	2:30 New Ladybirds Class Stay & Play
Tuesday 17 th July	2:30 New Ladybirds Class Stay & Play
Wednesday 18 th July	3:30 Reports Drop in for Parents

Friday 20 th July	Key Stage 2 Sports Day @ Parliament Hill
Monday 23 rd July	2:30 Y6 Graduation
Tuesday 24 th July	2:30 KSI Sing-a-long
Wednesday 25th July	1:30 Finish

Clean Air Zone Around Our School

We have noted an increase in the amount of cars idling at pick up and drop off times and want to encourage less of this and more of a clean air zone around the school.

We are launching a competition to have some posters designed which we will have professionally printed around the school and the building itself. We can also distribute these to parents and local residents. Children will be asked to design a poster with the slogan 'No Idling'. Happy designing!

Annual Pupil Reports

Your child's Annual Report was sent out this week. We hope you enjoyed reading about their achievements this year. We are providing the opportunity for a drop in with your child's class teacher after school on Wednesday until 5pm, so please 'drop-in' if you wish to.

We would like to send more correspondence by email next year rather than in actual paper form. If you could provide an updated email to the office, that would be helpful.

Reply Slip – Please tear off and return it to the school office:

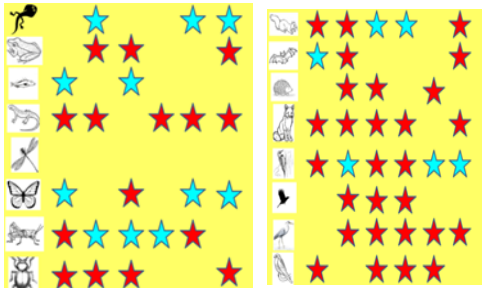

Email: _____ Parent/Carer: _____
(Please write in capital letters) (Please write full name)

Child's Name: _____ Class: _____

Attendance

Attendance is improving week to week—let's end the year with over 95%

On the last day of school, we will be giving a special hamper prize to one child in each phase that has had 100% attendance (this also includes children who have near 100% for medical reasons). Will you be the lucky winner?

EYFS = 95.62%

KS1/2 = 94.87%

Note: If your child has had a medical appointment or was ill on a day, please note that it does take away from your child's annual attendance but it is an authorised absence so it is nothing we are worried about!

Coffee Mornings & Ideas

Thank you for supporting our coffee mornings recently. It was good to chat with parents and carers, providing updates about our current work and further developments, as well as hearing feedback on a number of issues. It was suggested that we invite interest from parents who may wish to lead an **after school club** next year for a reduced fee. If this is something you would be interested in, please speak to Liz Ghamar or email her at clubs@primrosehill.camden.sch.uk. As a guide, a club should run for a minimum of a term (10 weeks), be weekly after school for an hour, self funding or require parents to contribute a small fee for resources etc.

KS2 Sports Day 20th July

This year's Sports Day will be filled with fun, exciting and memorable activities for all of our children to compete and take part in, representing their respected house colour teams. Whether you are in Gloucester, Fitzroy, Regents or Chalcot, we want our children to have the most amazing fun filled experience this year! This also includes all of the teachers and parents involved too!

With medals to be won in a variety of different events, we want all of our children to participate and try their best in every event to have a good chance of showing off a prestigious Gold, Silver or Bronze sports day medal which they will cherish for the rest of their sporting life. As much as Sports Day is a special occasion for competition and rivalries, the underlying purpose for everyone involved is to have the most fun possible and to make it a memorable Sports Day for all. From the long jump to sprints, from the vortex to bean bag throw, and last but not least from the teachers' race to the unforgettable parents race.

Not only are our children competing in teams and house colours, but Sports Day is a great way to bond with friends as well as make new friends across the school and build new relationships. Overall we hope for this year's sports day to be a memorable fun filled day for all involved and we hope to see as many parents and family supporting their children as possible. PE Team

Table Fables

Dear parents and carers of children in Reception, Y1 and Y2. We are trialling a new exciting interactive website called Table Fables, which aims to help children learn and remember their number and times tables in an innovative and fun way. The site is very easy to use and the learning is done via number stories with visual hooks to help remember the facts.

Children in the current Reception, Year 1 and 2 have had a mini introductory session last week on how to use the site and meet the number character. The children seemed to really enjoy it. Next week letters will be sent to parents with individual logins so the children can access it over the summer holidays. This will help support with retaining important number facts over the long holiday period. The login details will be set up with next academic year's classes and year group. This recourse will be used alongside class teaching of the times tables, so that children have understood concepts before using the site to help memorise facts. Watch this space for more information.

Chickens

Well cock a doodle doodle do.
We are so eggcited about the fair we laid
15 eggs this morning.

The summer fair is **tomorrow 12 till 4** in the playground. Come and join us for wonderful day.
We may even sing. Madonna & Cyndi xx
