The children and staff have settled back into school life quickly and calmly. We have revisited our rules, responsibilities and expectations and class routines are being successfully established. Next week Rainbow and (our newly named Key Stage 2 nurture) Magpies begin and the children involved are very excited to be involved either continuing from last year or new to the group this year. **Robin**

## Clubs

This year we have more club sessions than ever (well over 30) and we are absolutely delighted that most are starting from next week, with a few beginning the week after. Clubs for children in Reception will be starting in October, as they usually do at the beginning of the school year, giving children time to settle in their new classes and get used to the routines.

We are proud to announce that our new Gymnastics club will be run by Raquel, a professional gymnast – we are so lucky to have her! There are still some places left in her lunchtime clubs, which will be starting the week after next. There are also a few places left in some of the other clubs, so if you are interested please email [clubs@primrosehill.camden.sch.uk](mailto:clubs@primrosehill.camden.sch.uk) and we will do our best to help you.

## Barge Floating Classroom

We have submitted a planning application finally for our floating classroom project. More information and the link can be found on our homepage on the school website.

## Staffing

A huge congratulations to Alice Farrell who got married during the Summer Holidays.

We wish her and Will a happy life together.

## School Apps

Teachers2Parents have launched their own smartphone app, but we have found that not all attachments or messages are coming through successfully. If you haven't downloaded it, I would suggest you not bother as the old fashioned text alerts are much better. If you do have the app, ensure you allow notifications from it, otherwise you won't hear a thing!

Our own **Primrose Hill Primary School website** is also smartphone compatible although the navigation is slightly different. To access the usual side headings such as 'lunch menu', 'clubs', Governing Board', 'letters home' etc, select SCHOOL INFO from the home page then press SECTIONS to reveal a further drop down.

## Welcome Curriculum Meetings

We have had our Year 5 and Year 6 Welcome Curriculum Meet the Teacher Meetings.

Coming up :

**Mon 17th Sep 8:45—9:15 Year 2**

**Tues 18th Sep 8:45—9:15 Year 1**

**Wed 19th Sep 8:45—9:15 Year 3**

**Thurs 20th Sep 8:45—9:15 Year 4**

After each meeting, we will upload the presentation to the website.

## Building Work

As we now have our playground back and the builders have departed, we have a building fit for the next 100 years. Thank you Camden! I am now turning our attention to developing our Y1 and Reception outside areas. The project planning begins.

## Autism Inclusion Hub

Camden has an increasing number of children assessed with Autism spectrum disorder (ASD) and require some additional resourced provisions within the borough at both primary and secondary level at mainstream schools. Primrose Hill Primary School has been selected for consideration to have an Autistic Inclusion Hub at the School. This would mean to create a existing space within the school for 14 additional children who would be taught within the space, but also integrated into the mainstream school. This is at a very early point of development, but an exciting one as we already support a wide range of children with additional educational needs, many of whom have Autism, and this would enhance the work we already do. More detailed proposals will go to the Governing Body later this month who have already been involved in early discussions. Then we move to a consultation period where you can hear more information about the plans and have the opportunity to contribute. We will also be putting information on our website and on display within the building, but this is just an early heads up about the plans. Watch this space!

## Attendance

WOW a massive 96.25% across the whole school! Well done Primrose Hill, let's try to keep it up and have the best attendance across Camden!

**KS1 - KS2: 96.20%**      **EYFS: 97.62%**

**Well done to Grasshoppers 98.13% and Hedgehogs 99.31%!!**

**International afternoon on Friday 21<sup>st</sup> September from 3-4.30pm.**

Primrose Hill School has such a wonderful diverse community and this will be a great opportunity for you to share dishes from your country with us. It also links into the curriculum with our passport to the world.

## Primrose Hill Healthy Snack Shack

Every Monday cooking club will be running a healthy food pop up cafe after school. All the food will be home made and you can buy it to eat on the spot or, take it home for a quick dinner. Its £1.00 a plate/container. Mondays Menu is Veg Chilli con carne Meat Chilli con carne and rice. We welcome any recipe suggestions and look forward to seeing you on Monday.
