Our Reception and Nursery children have been joining us over the past few weeks and we have all noticed how incredibly calm and settled they are, especially those Tadpoles who have graduated to Froglets and those moving into Reception. Our new Ladybirds environment is fantastic – I will be uploading videos to Twitter and the website to give parents and carers a glimpse of what is happening in our New Reception Space. **Robin**

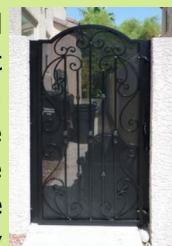

Promoting Healthy Air

We are committed to ensuring a healthy environment around school and I have asked the children to design some posters which we will have printed and distributed around the local area and to our families to encourage them to 'switch off' when dropping off and collecting children. Car idling is an issue in Camden and we want to ensure this reduces around our local area.

Side Metal Staircase & Gate

Now that we have our Tadpoles up and running, the additional side gate is in use but only for Tadpoles. If you have a child in Reception or Nursery, you **MUST** enter the school through the main entrance not use the metal staircase down into the playground. The area at the bottom of the stairs is used by Reception and Rainbow for learning and this must be kept secure.

Meet The Parents Event

This is an event for parents and carers to hear about **Camden Secondary Schools** from existing pupils. There will be a meeting at **Primrose Hill on Thursday 27th September at 3:45** in the middle hall.

Ladybirds Music Project

In addition to their weekly music lesson with Tom, reception children in Ladybirds will be having an extra music lesson with a musician from the Royal Academy of Music every week. This extra session will last for a term, and at the end of term, four children will be offered a places at the Royal Academy of Music's junior department. A very exciting opportunity! Please talk to Richard or Tom if you have any questions.

Autism Inclusion Hub

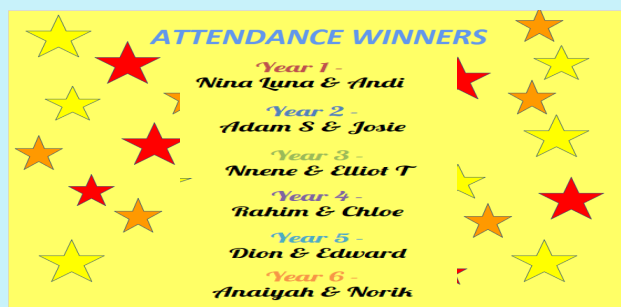

Camden has an increasing number of children assessed with Autism spectrum disorder (ASD) and require some additional resourced provisions within the borough at both primary and secondary level at mainstream schools. Primrose Hill Primary School has been selected for consideration to have an Autistic Inclusion Hub at the School. This would mean to create a existing space within the school for 14 additional children who would be taught within the space, but also integrated into the mainstream school. This is at a very early point of development, but an exciting one as we already support a wide range of children with additional educational needs, many of whom have Autism, and this would enhance the work we already do. More detailed proposals will go to the Governing Body later this month who have already been involved in early discussions. Then we move to a consultation period where you can hear more information about the plans and have the opportunity to contribute. We will also be putting information on our website and on display within the building, but this is just an early heads up about the plans. There is some information outside Robin's Office so watch this space!

Attendance

We smashed it again!! 97.25% across the school!
Thank you to everyone who has been coming in everyday,
keep it up!

EYFS: 97.57% KS1—KS2: 96.41%

WELL DONE TO FROGLETS 100%, BEETLES 99.63% AND
FOXES AND KESTRELS 98.52%

Coffee Mornings

We are holding our termly school coffee mornings in October in the Community Room from 8:45.

EYFS & KS1 Tuesday 30th October

KS2 Wednesday 31st October

If you have any particular topics that you would

like us to discuss, please pop a note into the office or see Robin.

We hope that you will be able to join us, it is a nice informal way to get to know each other and more about the school.

Friday 28th September we are holding a one-off healthy **cake sale** in the top playground in aid of Macmillan cancer support. Any donations of cakes would be gratefully received. You can bring them to the office in the morning or drop them to our table before 3.15pm on the day.
