A gentle week of teaching and learning. Our book fair has been a nice end to each day—thank you for supporting this. We always do very well from this, as the commission earned goes back to school in buying new books across each phase. Thank you Tania and Amal for organising. Next week, I am going to Devon to be part of a Challenge Partner review in a school there so the Assistant Heads will be leading the school. I'll be back in school on Thursday. Have a good week. **Robin**

Teachers2Parents App

Our texting service is very useful, as you know. T2P have developed their own app, but **UNLESS YOU ALLOW NOTIFICATIONS** for the App itself, it won't alert you to any messages. It doesn't function very well with attachments! I suggest you delete the app and just rely on the standard 'messages' that come through as normal.

Halal Discussion

The online survey will remain open until **Thursday 31st January** and information collated. The next stage in the process will be to meet with the Governors and discuss this. Thank you to those of you who have submitted a response, spoken to me in person or emailed some information.

Tadpoles Mosaic

The Tadpoles, with a little help from some children and adults and parents across the school have been working with an Artist called Maud (@artyfaceart) on a mosaic project for outside the Tadpoles. This looks absolutely magnificent and will be displayed with pride and joy outside the building in due course.

Would you like to be A Junior Travel Ambassador?

As a Junior Travel Ambassador (JTA), your job is to make travelling to and from school safer and more active for your friends and classmates. You can also help prepare year six pupils for their journey to secondary school.

A key job as a JTA is to carry out surveys and record the different ways children and teachers travel to and from school.

If you are interested in becoming a JTA, then you need to **write a letter to Dean, or create a poster** giving examples of how you would encourage children to be more active and safer coming to school. Or ideas on how to reduce families using cars to travel to school.

All entries need to be handed in by **Wednesday 6th February 2019** - a box will be outside the library. Please make sure your name and class name are clearly written on your letter / poster. Thank you & Good Luck!

Handwriting Workshop

The revised date 21st Feb was in half term, and as much I'm sure you'd love to attend and hear Robin during your holidays, we're going to push this to the following **Thursday 28th Feb at 9am.**

Get Well Liz

We wish Liz Ghamar a speedy recovery after she has a knee replacement surgery next Wednesday. Hopefully Liz will be back on her feet soon and zooming round the school as normal. If you have any club queries in Liz' absence, please speak to Ilirjana.

RE Day

Our first RE Day of 2019 takes place on Monday on the theme of 'sacred texts and stories'. As you know each Year Group focuses on the theme within a particular religion, so by the time they end Y6, they have covered a real wealth of RE learning. Jemma has planned a wonderful RE curriculum and this approach is working brilliantly with our breadth and coverage.

Attendance

Making slow but steady progress with attendance. We were at 93.17% for the week, so I am expecting to be over 95% for the next week.

EYFS: 90.11% KSI—KS2: 94%

WELL DONE TO WOODPECKERS FOR 98.67%!

Remember if you get a **GREEN** star next to your class in assembly you'll get more play!

Y6 Visit to Waitrose Cookery School

Dean organised a trip for Y6 to visit the cookery school; Herons went this week and had a great time.

Friends of Primrose Hill

Monday's pop up menu

Chicken or veggie curry and rice

Soup of the day carrot and coriander with home made bread.

Hotdogs and juice on Friday

Garden Corner

This week in the garden it's been chilly. I have been considering knitting jumpers for Cindy and Madonna. The Thursday gardeners had a great time investigating the ice on the pond.

The daffodils which Ladybirds and Key Stage I planted before Christmas are coming along beautifully. The few that stayed in the garden are a bit behind those which went home with the children to be cared for inside. I have seen lovely pictures of some which are already blooming.

When your daffodil flowers could you please take a photo and send it to admin@primrosehill.camden.sch.uk for the attention of Emma for our daffodil competition including your child's name and class.

Easyfundraising.org.uk

Every penny helps! With this in mind please check out the website:

<https://www.easyfundraising.org.uk/causes/primhill/>

The school makes money simply by you shopping at no extra cost to you. We need as many supporters as possible so tell your friends and family. Let us see if we can be the most profitable school!

PE Achievement

A tremendous week in the world of PE. Dean and I have been taking our amazing footballers over to Talacre sports centre to take part in the CSSA North Football league these last 2 - 3 months. This tournament is aimed for Y5 & 6 but this year we decided to take a selected few Y4's who we felt would be able to handle the physicality, and be able to match the Y5/6 quality which they all exceeded.

Girls needed a win against top of the league in order to finish 2nd, which they managed to do with an amazing 4-0 win. It came down to the last game, to see who would be crowned champions in the boys league with our boys needing a draw to secure top spot, which they managed to do with a 1-1 draw! Onto the day tournament, that will take place on 26th February. Well done! **Jordan**

Class Assemblies

Children love to perform for their parents and carers. Please make a note in your diaries for these important dates.

Year2 15th Feb. at 2:30

Bats 28th Mar. at 2:30

Squirrels 22nd Mar. at 2:30
