This half term has flown by! The Y6's and Y2's have finished their SATS assessment, although our Y6's still plod on with their writing portfolios before the end of the year. As we roll towards Summer, there is a lot to pack in so please look at the dates carefully. Wishing you an enjoyable May half term. We will see you on Tuesday 4th June.

IT'S STORYTIME!

It's story time! Here is the final story for this half term - **Monkey and Me by Emily Gravett read by Maria.** The link below will take you to the video or you can scan the QR code using your camera on your phone. Enjoy!

<https://www.youtube.com/watch?v=AeqDC80ghR0>

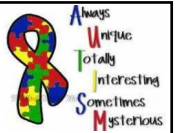

Displays

Take a look at the latest children's work which is on display around the school. The children and staff have been hard at work collating their learning. I am sure you will be impressed with the quality of their work.

ARP

The Autistic Resourced Provision development is progressing. It is currently with the planners in Camden and when we know the actual next steps, this will be communicated to our families and local residents.

Pop up coffee

Thank you for all your support with the pop up cafe. As you know we sell everything at the lowest price possible, all the money we raise goes towards cooking with children across the school. The Summer fair which is our main fundraiser will be raising money for book corners, subsidising trips and all those little extras to allow the children to have an amazing school experience.

Friends of Primrose Hill News

Our Summer fair is just around the corner **Saturday 29th June 12-4pm**

This year we have got amazing inflatables, from a mini race track, to last man standing.

Dragons Den stalls with an exciting new twist!

Plus much more, from face painting, to hair braiding, decorating bottles, jar tombola, raffle, we even have hook a duck!

We need lots of volunteers to make this happen. So please see Tania, Amal or your class reps if you would like to help. See you there.

Barge Project

Our Barge Floating Classroom project has been in development for a number of years and has been a series of highs and lows. Whilst everyone recognises the value and innovation of such a project, and the potential benefits to our children, we have come to a point where it is difficult to move forward. Final planning was granted by the council but with a series of caveats that limit the projects original use, and ultimately in generating income to keep it sustainable. The project was also not received positively by some of our local community and this also limits how we can proceed. Most significantly is the current financial viability of the project during a time when school budgets are being stretched. With this in mind and with regret, we are putting the project on

Attendance

Here's some stats for you all..

% for this half term – **96.28%**

% for this academic year – **95.48%**

Class with the highest attendance this academic year so far –
Kestrels 97.08%

Class with the highest attendance this half term so far –
Hedgehogs 98.74%

We're going in for the last push now and it'd make my year if we can make it to 96% for the academic year, please keep being your lovely selves and push the children to come in!

So for this week:

WELL DONE TO TADPOLES 97.89%

WELL DONE TO DRAGONFLIES 97.93

WELL DONE TO FOXES 98.66%

Garden Corner

A year in the life of Primrose Hill School Pond.
This time last year we were still building the pond.

Here are gardening club landscaping the hole and lining it with sand so that we could put in the liner.

We put in the liner, weighted it down and filled the pond.

It then took quite a few months for the water to find a balance so that we could plant the pond and it was ready for wildlife.

Easyfundraising.org.uk

Every penny helps! With this in mind please check out the website:

<https://www.easyfundraising.org.uk/causes/primhill/>

The school makes money simply by you shopping at no extra cost to you. We need as many supporters as possible so tell your friends and family. Let us see if we can be the most profitable school!

PE News

What an amazing last week of the half term! On Tuesday our Year 3 & 4 boys and girls represented Primrose Hill in the football tournament at Parliament Hill Fields. We can proudly announce that our boys and girls were crowned champions, winning a trophy and shield each for their teams. This is a truly amazing achievement for all involved and Jordan and myself are extremely proud of the efforts of all of our children :)

This is all down to the children's attitude and dedication to committing to weekly training as well as parent/carer ongoing support. We are truly blessed that we have such an amazing group of hardworking children at Primrose Hill. Please see pictures on the website.

Jordan and Dean

A Few Key Dates

Mon 3rd June

INSET DAY

Tues 4th June
