All children in Y6 across the country will go through the same process and be tested in:

- **Reading**
- **Spelling, Punctuation & Grammar**
- **Maths**

English Grammar, Punctuation & Spelling

The grammar, punctuation and spelling test will consist of two parts: a grammar and punctuation paper requiring short answers, lasting 45 minutes, and an aural spelling test of 20 words, lasting around 15 minutes.

Reading

A one hour long paper based on three texts - each text increasing in difficulty (especially the language) – with a variety of question types.

Maths

Children will sit three papers in Maths:

Paper 1: Arithmetic, 30 minutes

Papers 2 and 3: Reasoning, 40 minutes per paper

Paper 1 will consist of fixed response questions, where children have to give the correct answer to calculations, including long multiplication and division.

Papers 2 and 3 will involve a number of question types, all involving Reasoning and Problem Solving.

Writing

There is no actual test for writing. The children will continue to write as normal as part of their English lessons with on-going moderation between teachers, with other schools and the local authority.

Breakfast

We will also be doing a breakfast each morning of that week to make sure the children have a healthy and nutritious start to their day. This is optional.

Breakfast will be held in the dining room. Children should arrive at school for 8:15am and wait to be collected outside the office.

It is really important the children are in school every day and on time. Please also make sure your child is getting enough sleep and having a healthy breakfast. Children can bring bottles of water and a fruit snack at break time.

If you have any questions, please speak to a member of the team.
