hey.

This week I have spent lots of time looking at data! Whilst boggling, it is really positive to see how the children are making progress and more importantly, hearing the teachers talking so knowledgeably about what each child can do and what they need to do to make further steps. Representatives from Camden came to look at our Y6 Writing and were very impressed. A big well done to the team and the children for their super hard work. **Robin**

Scooter & Bikes

Just to clarify some storage info with regards to scooters and portable vehicles. The front storage gated area should be the primary space for scooters. The area down the side of the pitch should only be used if there is an after school club. This area is temporary and will not be available from September. The cycle storage at the front of the school is for staff only. Thank you.

Halal Update

We have finally got some movement on the halal transition. As you know, we are proceeding with a dual service option. Camden have been investigating cost options and are good to go. This will now happen in the summer holidays with the aim to be up and running early in the Autumn Term.

Summer Fair

The Summer fair is next **Saturday 29th June 12 to 4pm at school.**

The Arsenal gunnersaurus is opening the gates at 12pm Sharp! We have booked sunshine and it's going to be a brilliant day!

We have giant inflatables, including last man standing (can you beat Jordan?), a mini inflatable race track, bungee run, crazy cottage, bouncy ball pond, Nerf shoot out plus lots more!

Dragons den will be providing the games.

We are still in talks with Mary Berry to see if she will judge the bake off. If not we may have a special guest!

The raffle prizes keep on coming.... they are amazing! So please come and join us to celebrate what a fantastic school community we are! Robin

End of Term

A reminder school closes on Tuesday 23rd July at 1:30pm

Garden Corner

Despite the rain we've been having fun with water this week.

Pond dipping to discover some of our smaller garden residents and watering with the hose.

The garden is blooming with marigolds, snap dragons and artichoke buds appearing everywhere.

The fruit is coming along: pumpkins and summer squashes are starting, strawberries, raspberries and red-currants are beginning to ripen, baby apples are appearing, the pear tree is in bloom and the first green tomatoes are beginning to appear.
