Dear Parent /Carer,

This is to inform you that this half term, Year 6 will be studying **Sex and Relationship Education (SRE)** from the Key Stage 2 framework for Personal, Social, Health and Citizenship Education (PSHCE), specifically designed for Year 6 children.

The unit is essential as it gives the children the opportunity to raise questions and address concerns about their understanding of the human body through puberty and adolescence. The titles of these lessons are as follows:

- Puberty and its changes
- What is gender?
- Friendship, love and relationships
- Reproduction and conception
- Pregnancy
- Being a parent

The unit fits in closely with teaching from the **new Science curriculum** but will also cover the emotional and social aspects. The school's policy for PSHE has been agreed with the governing body and Camden.

If you have any further questions about this unit, do not hesitate to come and speak to us.

Kind regards,

Nabila Harti & Mireille Alwan

Year 6 Team

Head Teacher: Robin Warren
