Attendance & Punctuality

• Attendance & Punctuality are extremely important in ensuring your child reaches their potential; if they’re not at school, they’re missing key learning opportunities!

• If your child is sick please:
  - inform the school before 9am on the morning of the first day of absence
  - phone the absence line on 0207 722 8500 / email: attendance@primrosehill.camden.sch.uk
  - keep the school informed if your child’s absence persists

• We want to achieve over 96% attendance each week! This will continue to be monitored weekly in Achievement Assemblies & in the newsletter.

100%
98 - 99%
95 - 97%
90 - 94%
89 or less

Perfect - the best they can possibly be!
Excellent
Good
Needs to improve and will be monitored closely within school next year
Poor - this will lead to a referral to the Education Welfare Officer, a subsequent meeting and potential legal action from the local authority if persists to be low in the next academic year

Secondary School Application

Please see this website for information about Secondary Schools open mornings / afternoons and much more:

Applications are due: Thursday 31st October 2019

Please come and see SLT, Edina or any member of Yr 6 if you need any help.
School Budget

Comparatively, PH is doing ok financially. Other local schools are suffering.

We had a budget shortfall of £292k when setting the budget - affected by rising pension and operational costs, multiple maternity leaves, unfunded pay rises, general increase in expenditure and less than inflation income plus reduction in SEN funding.

Our key points:

• Strong pupil numbers - other local schools seeing falling roll
• High SEN - both challenge & a strength
• Reduce support staff
• ARP - brings additional income and building benefits
• Nurseries
• Additional income through external work
• Changes are inevitable - not replacing Art or French at present / reduction in cover teacher days, curriculum budgets, school journey, reduction in bought in therapy and general slicing of all budget cost centres.

CHALLENGING OURSELVES-
GROWTH MINDSET!

- The governments says Year 7 Learners are:
Children who can read fluently and effortlessly and manage the general demands of the curriculum in year 7, across all subjects. They should be able to prepare readings, with appropriate intonation to show their understanding, and should be able to summarize and present a familiar story in their own words. They should be reading widely and frequently, outside as well as in school, for pleasure and information. They should be able to read silently, with good understanding, inferring the meanings of unfamiliar words, and then discuss what they have read.
WHAT WE WANT YOU TO DO...

• Read 20 books from the Year 6 Book List.
• They will have **buddies**, who are reading the same book, to help them.
• We will give the pupils time each week to discuss their book, using the **Reciprocal Reading** skills.
• They will have a **pack** with their book, post-its and skills card in it.
• Pupils will sign a **contract** to give to their parent to say they will challenge themselves to achieve the challenge and will replace any book lost.
