The end of a busy term but we have achieved lots and it has been a positive start to the school year. The children are settled in their new classes and making good progress. The Senior Leadership have completed our round of monitoring of teaching and learning which includes lesson drop ins, book scrutiny and talking to the children. Next half term we will have our first Pupil Progress Reviews of the year to look at where the children are in terms of their learning across the subjects. As a school, we are doing some work around the wider curriculum which we will continue on our INSET day while you enjoy an extra day's holiday. Have a great half term break. I will see you back for a new term on Tuesday 29th October. **Robin**

INSET Day Monday 28th October - School Closed for children.

New Parent Reps for 2019-2020

A big well done to Amal who has cajoled and encouraged a new batch of Parent Reps. Parent Reps are a good conduit between your classes, the Friends of Primrose Hill and the school directly. They played a big part in supporting school events last year and communicating key information when needed. Well done to you all and a big thank you for your efforts last year.
