Attendance

It looks like we will be ending the year with above 95% across the whole school with 95.20% from September—December, but let me break the data down for you:

2018—2019		2019—2020	
EYFS	94.28%	EYFS	93.21%
KS1	95.74%	KS1	96.95%
KS2	95.90%	KS2	95.11%
Overall	95.72%	Overall	95.20%

Don't forget, we still have 4 more days of school so these numbers are likely to change (hopefully for the better)! I will be announcing the winners for the attendance prizes next week via tannoy. Good luck everyone!

Builders of the future at Primrose Hill

Year 1 spent an afternoon learning about the various different construction works taking place at school from the builders working on site. This was organised by the Site Manager, Ryan and afterwards the children kindly presented Ryan with a book containing drawings and thank you notes from each child. We hope we have inspired a few to think about getting involved in the design and construction of their built environment in the future!

The children were provided with hard hats, Hi-Vis jackets and gloves, to get a feel of a working site experience.

Children's Birthdays

A reminder that if you want to hand out invitations to parties or presents to children, this needs to happen AFTER SCHOOL unless every child in class is included. We want to make sure that children don't feel left out. Please make sure you inform us in writing if you make arrangements for someone else to collect your child for a party!

KS2 Cecil Sharp Performance

This was a magnificent performance! Well done to Tom, the children and staff!

Email Services

You are all aware that we are trying to go paperless. Due to costing issues we will have to decrease text messages sent out but we have an emailing service to keep parents informed with the news of the school. With this service, we can also send parents letters about upcoming trips, achievements etc.

Please make sure to give your email to the office to keep in touch with us.

EYFS Nativity Show

EYFS put on two energetic performances of the Christmas Story this week. The show was a great opportunity for them to develop their self-confidence, enrich their artistic skills as they made the set and their costumes and to learn lots about how families celebrate Christmas in different ways. Well done one and all!
