

# Primrose Hill Home Learning Community KS1 & 2

Day 5

**9.00am Register Log in to Google classroom** and greet your teacher and peers and our school community with a greeting (can you say good morning in another language?). The whole school music session this morning is [There's a power in the music lyric video](#). Music has the power to make us all feel good! Enjoy.

## READING

9.10am

Read from your chosen/given book and or access the free reading app trial <https://readingeggs.co.uk/> and answer some comprehension questions (see Google Classroom for ideas of questions to ask)

## ENGLISH

9:45 am

Write a 'You, I' poem about the relationship between Ruskin and Corky. Use the ideas about them you collected yesterday. You will find the lesson in Google Classroom. Please remember, if you need any advice or support the Year 3 team will be available on Google classroom. Also, we will always provide information about any new/unfamiliar ideas in the lesson itself.

## PHYSICAL EXERCISE

10:45am

Today let's do a whole family yoga session today (make sure everyone only does what feels comfortable). Follow <https://www.youtube.com/watch?v=oWLSLpcFoiY> for a 25 minute session. If you have your own preferred physical activity, enjoy that too.

10:45am FREE PLAY. Choose how you would like to occupy yourself for the next 25 minutes.

## MATHS

11am

Today we are going to use our knowledge of problem solving strategies to have a go at some different challenges. Think carefully about all the different strategies we've been learning about in class. The puzzles will be on Google Classroom for you to look at. Don't forget to hand in your work when you've finished so we can see! For an extra challenge, you could explain which strategy you've used and how it helped you - there will be a reminder of all the strategies we have learnt on Google Classroom and the adults will be there to help if you get stuck.

Post your learning on Google Classroom by midday.

There are two different topic activities for you to choose from this week. You could have a go at both or focus on the one that interests you more in depth. There will be more information about each activity on Google Classroom.

OPTION 1 - Science

Research how magnets are used in real life  
OPTION 2 - History  
Research Greek architecture in Camden

## Wellbeing exercise

Work with a partner in your family. Now make a list of qualities about them that you think are good and ask them to do the same for you. At the end, share your thoughts. Choose the good quality about you that you are most proud of and find a way to record and remember this (a picture?) to add to your learning area.
