20th April 2020

Dear Parents & Carers,

We hope you had a lovely holiday despite the unusual circumstances. Tomorrow we are back to term time albeit remotely, and with the help of our wonderful families and community we hope to continue to make this a positive experience for the children. Thank you for your support thus far.

We are still working to improve our online learning systems, so just to re-cap and clarify expectations, please note the following;

- So that we are able to keep track of all of our children and families, we will be sending a **daily register via text at 9am** for you to update us on your home learning status for the day - please try to respond before 10 am.
- Class teachers will **post learning support on the Evidence Me App daily at 9.30am**, including posting resources, links and ideas for you to do with your children at home each day.
- Overleaf you will find a **suggested daily timetable**. You will adapt this to make it work for you and your child, though the important thing is that children have continuity and routine during these uncertain times.
- By the end of each day **please post** (in one go) **any home learning observations from that day** onto Evidence Me. Whilst there are prescribed activities available on Evidence Me, we are also happy for you to support your child's individual interests and preferences and initiate your own activities. However, the important thing is that we keep communicating about your child's progress and development, so be sure to post these on Evidence Me.
- The whole school are going to have regular **offline/ wellbeing days** with suggested activities to keep you entertained away from the screen. Please note that on these days, there will be no lessons posted on Evidence Me:
  - *Friday 24<sup>th</sup> afternoon offline*
  - *Wednesday 29<sup>th</sup> all day offline*
  - *Friday 8<sup>th</sup> May all day offline*
  - *Friday 13<sup>th</sup> May all day offline*
- You can expect some **phone communication with a team member at least once a week** (at some point there will also be phone consultations with Tom and Jordan our specialist music and PE teachers)

We are also welcoming our new Nursery Teacher and EYFS Lead Lia White, who is hugely excited to meet you all in person, and in the meantime will be helping to lead our remote learning and guide our families during this period.

If you have any difficulties using the Evidence Me software, the help guide for parents can be found at <http://help.evidence.me/help-for-parents>. If you are still having problems, please call or email directly on the contact details below and someone will call/email you back.

Enjoy your home learning experience and know that we are here to support you remotely!

You can email [admin@primrosehill.camden.sch.uk](mailto:admin@primrosehill.camden.sch.uk) or me at [head@primrosehill.camden.sch.uk](mailto:head@primrosehill.camden.sch.uk) at any point.

Thank you in advance for your cooperation.

A handwritten signature in blue ink that reads "R Warren".

Robin Warren  
Head Teacher
