

**Friday 3rd April**  
**Issue No. 25**  
**Remote I**  
**(2019-2020)**

**The online learning will open again on Tuesday 21st April.** I will be in touch towards the end of the Easter Holidays to update you. **Robin**

Maths task was to measure and compare length and height!

LI: To write a persuasive letter.

- \* I can write a letter to Robin to persuade him to let us have a video call.
- \* I can give three good reasons and write each one in its own paragraph.

**\*\*\*Challenge:** I can use as much from my List

**Dear Robin**

The letter is to find out how you are and to give you three amazing reasons why my friend from Grasshoppers should have a video call on Friday:

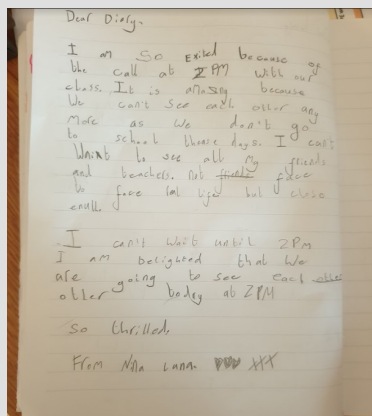

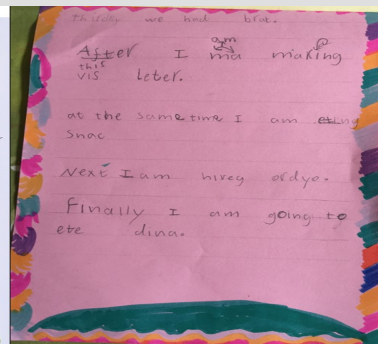

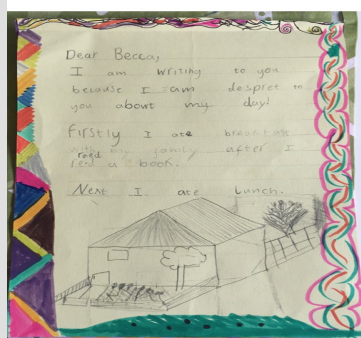

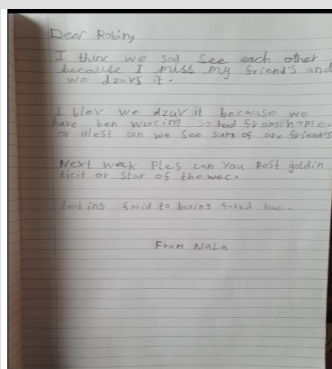

1. We had been together for so long, that we miss each other a lot.
2. Do you have family Robin? I believe if you have, you must miss them too, Grasshoppers are my family and I want to make sure that they are fine.
3. The most important one is, the quarantine made us feel in some way bored, so I believe if we do something fun like the video call our hearts will jump together.

The decision is in your hands, hope this is touching you a little bit, have a nice weekend

Jordan Tellez

WB.30.03/2020

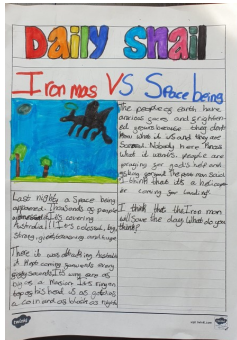

Some lovely work in school!

## Y3 & Y4

### THE PRIMROSE NEWS

Issue 1000 May 2020

#### The Alien Dragon Comes To Earth

Strange being comes from a starlike domain to be fed. Last week astronomer from NASA said that a new alien was reportedly getting bigger. They did not know why. There is no provided reason for said alien's existence. Journalists were coming to document it from all over the world. It was a creature that could be better described as a dragon. Astronomers should not that is for the star was moving faster to our planet. Some of the predictions that the star was a giant nation, people were believing as such.

The strange being before the star

### Lovely clear Audible summary by Jonathan

**09:10 - 09:50 Reading**  
1. Do 20 minutes of Read Theory. Some of you need to get on and do this now because about 8 of you haven't yet.  
2. Do one of your 10 minute Reading tests. Choose your level from the 3 books provided and mark each test when you finished.  
3. AUDIBLE: The class novel we will be listening to is: [Discover with the Senses](#). Start by listening to Chapter 1 and summarising the key SW information into a couple of sentences here:

Eve gets caught stealing items from a shop and gets arrested. She is then taken to meet a lady who asks her questions about the theft. She asks Eve why she stole the things and finds out that Eve got arrested on purpose. Eve then says that the other option would be worse. Then she says that she is a robot.

### Spelling by Elise

#### 10:30 - 11:15 English spelling

FIRST Spelling. Do the interactives. Sort the words into the two lists: 'Correct first time', or 'Words to practise'.

## General News

### FSM Hampers

Thank you to the parents who asked us to kindly donate their FSM (Free School Meal) hamper to a good cause. Any food not collected was donated to Oldfield Estate, which is Sheltered Housing for the elderly! This is the email that we've received from them: 'Food gratefully received at the Oldfield Estate. One of the staff did a reading at the Carol service at St Marks. Thanks for everything you are doing.' A special thanks to a year 2 parent who collected and delivered the food on our behalf!

### Staffing

We would like you to join us in welcoming Humphrey our new Assistant Site Supervisor. We are sure that he will prove to be a great addition to our team!
