

# Friday's Home Learning suggestions

## 9.00am Register

Good morning! Please **reply** to the text register to update the teams on your learning status for the day. Please leave a **comment** on the text register if you would like any support and for a member of staff to give you a phone call. We are here to help you. We hope you have a great day. Here are today's activities. Feel free to organise the activities however works for you. Have fun!

**PHYSICAL ACTIVITY:** [CBeebies - Boogie Beebies, Pirate Gang](#)

## STORY AND ACTIVITY

Today we are going to **innovate**, which means **change the story of Mr Gumpy's Outing**. Think about what you could change to create your own version of the story. You could change **the characters and instead of going on a boat, you could go on a different type of transport? Will you go on the water or the ground? What will go wrong? How can it be solved?** Fold a couple of pieces of paper in half and create your own book. Draw the pictures and ask an adult to help to scribe your story. We can't wait to see them.

Today's wellbeing story is: [I am Enough](#)

## MATHS

Watch Susannah's video of how to make **a shape fortune teller**:

<https://www.youtube.com/watch?v=WgboywUAGnM&feature=youtu.be>

Follow the instructions and have a go. Play along with a family member and challenge each other. Have fun. We would love to see what shape challenges you can come up with.

**LUNCH** – Let your child set the table, pour the water, or cook the food with you. They can count out or measure portions, learn new vocabulary, and expand their food tastes!

**SINGING** - [Moana You're Welcome \(Lyric Vi\)](#)

## Weekly Science Activity (this stays the same for the rest of the week)

### Frozen characters

- How can we rescue the frozen characters?
- Experiment what helps the ice melt faster
  - Sugar
  - Salt
  - Sand
  - Water
  - Any other ideas .....

**Key Vocab:**  
Solid  
Liquid  
Hard  
Water molecules  
Freeze  
Cold  
Fizz  
Break  
Melt  
Hot

**End of the Day** Please **upload pictures and examples of your home learning directly onto the Evidence Me app or web suite** for the teachers to review and celebrate. If you have any technical difficulties or need help installing and using the app, please comment on the morning register and we will get back to you with support.
