

Thursday's Home Learning suggestions

9.00am Register

Good morning! Please **reply** to the text register to update the teams on your learning status for the day. Please leave a **comment** on the text register if you would like any support and for a member of staff to give you a phone call. We are here to help you. We hope you have a great day. Here are today's activities. Feel free to organise the activities however works for you. Have fun!

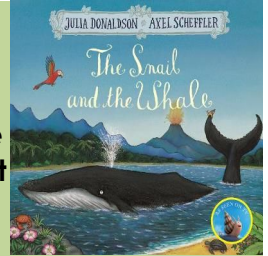

PHYSICAL ACTIVITY: [ZUMBA KIDS - Electronic Song - Minions / Instagram](#)

STORY AND ACTIVITY

Watch this version of the story of [The Snail and the Whale](#).

Today you are going to pretend that you are the snail and you love to go on lots of journeys. **Can you send a postcard to one of the snail's friends in the harbour? Choose one of the places he visited and describe it for his friends. What does it look like? What is the weather like? What can you do there?** Draw pictures and ask your adult to help scribe for you.

MATHS

Looking at the photo for inspiration. Cut out different shapes from paper. It can be different colours or just white and then you can colour them in. Cut out a selection of **circles, squares, triangles and rectangles**. What picture can you make using the shapes? A rocket? A house? A robot? A train? **Discuss the names of the shapes and how many sides and corners they have.**

LUNCH – Let your child set the table, pour the water, or cook the food with you. They can count out or measure portions, learn new vocabulary, and expand their food tastes!

SINGING - [How's The Weather? | Super Simple Songs](#)

Weekly Science Activity (this stays the same for the rest of the week)

[The Water Cycle experiment with Nawel](#)
