

Tuesday's Home Learning suggestions

9.00am Register

Good morning! Please **reply** to the text register to update the teams on your learning status for the day. Please leave a **comment** on the text register if you would like any support and for a member of staff to give you a phone call. We are here to help you. We hope you have a great day. Here are today's activities. Feel free to organise the activities however works for you. Have fun!

PHYSICAL ACTIVITY:

[BBC iPlayer - Otis Boogie Beebies - Series 1: 8. Sport Star](#)

STORY AND ACTIVITY

This week's sound is **d**. Go on a sound hunt and find as many objects that you can that begin with the sound **d**. Have a go at writing the sound and then make a list of what they have found. Watch [Mr Thorne Does Phonics - Episode D](#) with Geraldine the Giraffe.

Well being story: [All Are Welcome](#)

MATHS:

Watch Susannah's activity using **POSITIONAL** language:

<https://www.youtube.com/watch?v=WG41LUTSoK8&feature=youtu.be>

Can you remember these words from last week? Can you make a boat and take it on a journey? What will be hiding inside your boat?

LUNCH – Let your child set the table, pour the water, or cook the food with you. They can count out or measure portions, learn new vocabulary, and expand their food tastes!

SINGING - [Afro Circus/ I Like To Move It: Music Video](#)

Weekly Science Activity (this stays the same for the rest of the week)

One for outside.....you have been warned

Key Vocab:

- Chemical reaction
- Bubbles
- Foams
- Hydrogen mixed with sodium
- Vinegar is an acid
- Fizz
- Explosion

- Plastic Bags
- Clothes pegs
- Food Colouring
- 1/3 cup Vinegar (for each bag)
- 2 Tbsp Baking Soda (for each bag)
- Pour the vinegar into a baggie and add food colouring to it.
- Twist the baggie just above the liquid and secure with a clothes peg, leaving a space at the top
- Add the baking soda to the empty space and seal the bag

- When you're ready for the fun, remove the clothes peg and allow the baking soda to fall into the vinegar. Watch as the bags fill with gas and explode in a fizzing mess!

End of the Day Please **upload pictures and examples of your home learning directly onto the Evidence Me app or web suite** for the teachers to review and celebrate. If you have any technical difficulties or need help installing and using the app, please comment on the morning register and we will get back to you with support.
