Friday 26th June  
 Issue No. 34  
 Remote 11  
 (2019-2020)

 **@PrimroseHillRW**

We have been enjoying the weather this week; the children who have returned are very settled and enjoying their learning. It is so lovely to see them and our parents so happy. As we welcome back more children from next week, it is really important you keep to your arrival and pick up times and follow the correct routes into and around the building. Looking forward to seeing you all next week. **Robin**

## Reminders about care and hygiene:

**Please check your child for symptoms, and do not come in to school if they show the following symptoms:**

- a high temperature (please try to take their temperature every morning)
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste different to normal

**Please make sure your child has not brought in**

- any toys in to school
- any personal sanitation such as tissues - we are well stocked at every point!
- no need to bring in a book bag. We have additional bags to send stuff home in.
- not brought any PPE into school as this is against gov't guidance, which is that PPE can increase the risk when used by a child

**Please ensure your child is dressed appropriately for the day ahead, e.g.**

- wears clothing that they can easily do up and manage themselves
- does not wear multiple layers
- has only labelled clothes on (we cannot store spare clothes so will have to throw them if unlabelled)

**Only bring in:**

- A packed lunch box
- A named water bottle which needs to go home each day to be washed - there will be no water fountains so a bottle is essential

**Please wash your hands before leaving the house**

**Please apply sun lotion to your child before school. We will not be able to do this.**

**Please avoid public transport or any crowds or close contact.**

**Children can continue to have school dinners or bring packed lunch if they choose. Please let the office know in advance.**

## Shout Out

SHOUT OUT!

Froglots - Ria, Tyler and families  
 Ladybirds - Ursula and family  
 Dragonflies - Lottie  
 Butterflies - Linda & Teresa  
 Beetles - Iqra and family  
 Grasshoppers - Ruby & family

	Canal Gate	Main Gate	Main Gate	Scooter Gate Main Pground

## BLM Project Day

Thank you to all those children who have submitted their Project Day work on BLM- we have thoroughly enjoyed seeing what you have been doing related to this very important topic. Please don't forget that any work you complete on Project Day can be handed in on Thursday morning. Next week, we will be sending certificates for the best Project Day Work submitted on Evidence Me and Google Classroom. Will you be the one who gets a certificate???

## EYFS

For this week's project day, we were looking at empathy. It has been a real success and we thank you all for taking part. We have attached some photos of work from that day...some beautiful examples of empathy glasses. We have had a great week in **Ladybirds**, both working in school and at home - well done all! Our topic **Water, Water Everywhere** has really captured everyone's imagination. We have loved seeing what you have been up to in **Tadpoles** this week. You have all been very busy doing lots of learning at home! From playing with play dough, to walks in the park and listening to our focus story and puppet show of Anansi the Spider. **Froglets** class have had an amazing week working in school and at home. Lots of learning and exploring snails and the ocean with our focus story of the Snail and the Whale! We have loved seeing your learning. You have all been making brilliant creations. Well done everyone!

## Y2, 3 and 4 in school Children

For project day, the KW children focused on empathy and the effect of different emotions on others. We used the film Inside Out as a tool to help the children create these wonderful character puppets. The children really enjoyed this activity.

## Mosaic

We have loved seeing the finished mosaics for Grasshoppers, Beetles, Squirrels and Bats go up in the playground this week. Please take time to have a look at the children's hard work. And a big well done to Maud @artyface for her excellent skills.

We have commissioned further works for Y4-Y6, Rainbow and Magpies which will begin in due course.

## Y6 Yearbook

Calling all Y6. We are getting our Class of 2020 Yearbook printed next week. This extra special and important book of memories will be professionally printed and given out to everyone in Y6. All Herons and Kestrels need to make sure they have completed the 2 tasks in the Learning Assignments so that their pages look amazing and they can feel really proud when they see their contributions in the book. Marianne and Nabila and the Y6 team are super excited about this project - our last big project. Let's make it fantastic. Thank you

## Year 1 and 2

Year 1 & 2 have worked really hard on their projects this week. Glasses to be able to see how other people may be feeling and 'Grace's World'.

## PE and Music

The Sycamore Class had a great music session. We were jamming as a group and we made four pieces up on the spot!

## Key Worker Y6 Children

Key worker Year 6 children have had a very creative week and enjoyed practising their sewing techniques. They have started stitching their initials onto felt, which will eventually go onto cushions.
