Wednesday 10th June 2020

Dear Parents,

Thank you so much for your child's entry to the Science at Home Challenge this term. We have been so impressed with everyone's hard work - there are definitely lots of future scientists at Primrose Hill!

As Mireille spoke to you on the phone, we are so happy to announce that your child is one of the six winners- well done! We will be in touch once we receive the prize and you or someone from your family can collect it from school.

As Mireille mentioned to you, your child's entry will be displayed on the Regents High website along with your first name, year group and school and a screen shot of their entry. This will be part of 'The Great Science Share' and seen by lots of people within Camden and beyond!

We are also hoping to share the entries and videos on our secure Youtube Channel and our website.

If you **would not like** any of this information to be shared online, please get in touch with the school via email or phone to let us know.

[0207 722 8500](tel:02077228500)

[admin@primrosehill.camden.sch.uk](mailto:admin@primrosehill.camden.sch.uk)

If you have any questions or concerns, you can speak to one of us by getting in touch with the school.

Yours sincerely,

Sophie Keating & Mireille Alwan

Science Leader & Year 3 Teacher and Assistant Head Teacher
