

Thursday's Home Learning suggestions

9.00am Register

Good morning! Please **reply** to the text register to update the teams on your learning status for the day. Please leave a **comment** on the text register if you would like any support and for a member of staff to give you a phone call. We are here to help you. We hope you have a great day. Here are today's activities. Feel free to organise the activities however works for you. Have fun!

We hope you all had a fantastic Project Day and learnt lots. If you haven't already, please upload a photo / video of your learning. We would love to see how you all got on. Thank you so much to those of you that have already! We really value your support immensely. Best wishes x

PHYSICAL ACTIVITY: [BBC iPlayer - Otis Boogie Beebies - Series 1: 14. Monsters](#)

STORY AND ACTIVITY

Listen and watch the story of: [I Want My Hat Back | Free Performance for Children](#) This is a puppet show performed by The Little Angel theatre. What was the same or different to the story you watched on Monday? What happened to the hat this time?

Watch this video of [How to make a puppet theatre with Nawel](#) and see if you can make your own.. What adventure will your puppets go on?

Well being story: [Read Aloud: Be Who You Are by: Todd Parr](#)

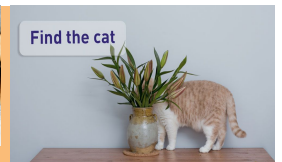

MATHS:

Watch the video of Nawel's activity:

https://www.youtube.com/watch?v=dS_mimPsy9Y&feature=youtu.be

The cat is hiding! Can you find and describe where it is? Use the tricky positional language words we have been practising: **on top, under, in between, through, over, around**. Now hide one of your toys - where is it hiding?

LUNCH – Let your child set the table, pour the water, or cook the food with you. They can count out or measure portions, learn new vocabulary, and expand their food tastes!

SINGING - [SING with CBeebies | The Hokey Cokey](#) and [Pink - What About Us, Cover by One Voice Children's Choir](#)

Weekly Science Activity (this stays the same for the rest of the week)

One for outside.....you have been warned

Key Vocab:

- Chemical reaction
- Bubbles
- Foams
- Hydrogen mixed with sodium
- Vinegar is an acid
- Fizz
- Explosion

- Plastic Bags
- Clothes pegs
- Food Colouring
- 1/3 cup Vinegar (for each bag)
- 2 Tbsp Baking Soda (for each bag)
- Pour the vinegar into a baggie and add food colouring to it.
- Twist the baggie just above the liquid and secure with a clothes peg, leaving a space at the top
- Add the baking soda to the empty space and seal the bag
- When you're ready for the fun, remove the clothes peg and allow the baking soda to fall into the vinegar. Watch as the bags fill with gas and explode in a fizzing mess!

Science Book for Kids
Have FUN while you LEARN
Available at

End of the Day Please upload pictures and examples of your home learning directly onto the **Evidence Me app or web suite** for the teachers to review and celebrate. If you have any technical difficulties or need help installing and using the app, please comment on the morning register and we will get back to you with support.
