

Tuesday's Home Learning suggestions

9.00am Register

Good morning! Please **reply** to the text register to update the teams on your learning status for the day. Please leave a **comment** on the text register if you would like any support and for a member of staff to give you a phone call. We are here to help you. We hope you have a great day. Here are today's activities. Feel free to organise the activities however works for you. Have fun!

PHYSICAL ACTIVITY: [Can't Stop the Feeling - Get Fit, Get Happy Dances by Harry Judd](#)

STORY AND ACTIVITY

Listen to Lia reading the story **Starting School** by Janet and Allan Ahlberg.

<https://youtu.be/PWf2UN6wD7I> How are you feeling about moving to Reception? What do you think it will be like? What are you looking forward to doing?

Today's sound is o. Go on a sound hunt and find objects that begin with **o**. Have a go at writing the sound and then make a list of what you have found.

Watch [Mr Thorne Does Phonics - Episode O](#).

MATHS:

Play the game: [Curious George . Hat Grab | PBS KIDS](#)

How many red hats does George get? How many green hats? How many pink hats? etc..

Can you find out **which colour has more and which has less?** How many **altogether?**

Practice writing the numbers down.

LUNCH – Let your child set the table, pour the water, or cook the food with you. They can count out or measure portions, learn new vocabulary, and expand their food tastes!

SINGING - [A Million Dreams \(from The Greatest Showman Soundtrack\)](#) - Cover by One Voice Children's Choir

Weekly Science Activity (this stays the same for the rest of the week)

[The Incredible Hoop Glider! - ScienceBob.com](#)

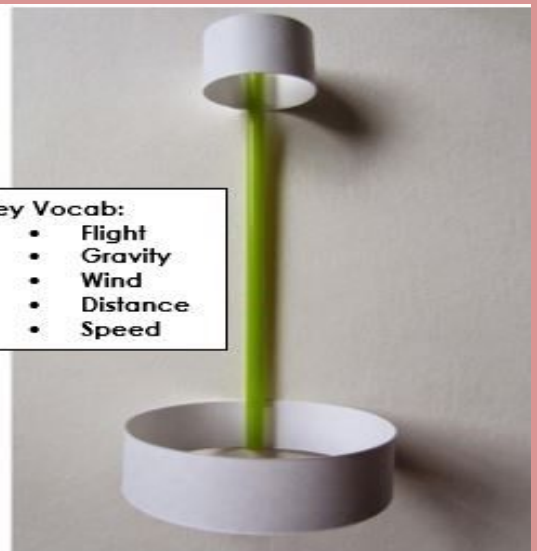

Straw plane – looks nothing like a plane but flies well

- Cut two strips of card, one 1 inch by 10 inches, and the other 1 inch by 5 inches. Tape them into two circle shapes.
- Take a plastic drinking straw and stick each to the ends of the straw. You're done!
- Now hold it by the middle of the straw, and propel your wrist forward releasing it into the air. It keeps going and going and going.

This idea came from [Discover Explore Learn](#).

Key Vocab:

- Flight
- Gravity
- Wind
- Distance
- Speed

End of the Day Please **upload pictures and examples of your home learning directly onto the Evidence Me app or web suite** for the teachers to review and celebrate. If you have any technical difficulties or need help installing and using the app, please comment on the morning register and we will get back to you with support.
